Twisting My Kaleidoscope Shannon Love, 2015-04-21 Our author carefully places you in an enchanted bubble transiting you from one scene to the next As you position yourself to view what best suits you she unbars the door to her therapy sessions uncovers the blanket of her thoughts unlocks the key to her journal and extends temporary access to her physical being Imagine this impervious bubble imprisoning you from the moment you choose to indulge your desperate cries for release denied until an end is reached Absolved from such a captivity you can close the book when exhaustion hammers at your head and anxiety stabs your chest This luxury evades the psychotic Instead she is forced to trek the turbulent terrain in its entirety

Kaleidoscope Trisch Rosema, 2013-03-15 Filled with laughs and giggles this memoir presents the authors spirited and light hearted approach to living all over the world along with a husband four young sons three dogs and two cats The koi fish had to be left behind From growing up during the black and white apartheid years of South Africa to suntanning topless on the silvery beaches and azure seas of the Greek Isles from walking like an Egyptian around the earthy tones of the pyramids to savouring pearlescent beads of the finest caviar harvested from the neon waters of the Caspian Sea from reminiscing with six foot four transvestites wearing shocking pink nails to enjoying the freedom of riding chromed Harleys in the Karoo each chapter is in itself a singular story but when put together they make up the multi coloured mosaic of a kaleidoscopic life Take a trip to the USA Kazakhstan Holland Austria and many other countries through the eyes of a woman who most certainly is not colour blind

Gershon's odyssey from depression era Winnipeg to Stalinist Russia and back to Canada in the 1950s is both the seldom told story of those who actually made that hopeful doomed journey and a testament to the tenacity of the human spirit Ten year old Annette Gershon is content enough growing up in her father's delicatessen on Main Street Winnipeg but for immigrant families scratching out a living in the Dirty Thirties even subsistence is a delicate balance easily upset Everything changes when her parents decide to take the family home to the Soviet Union to escape the devastation of the collapsing capitalist economy Annette struggles to maintain her sense of who she is first adapting to her life in Stalinist Odessa then fleeing to Moscow ahead of the Nazi occupation But it is in the post war years that her identity and her very life are threatened by the anti-Semitism of Stalinism's final years *The Knife Sharpener's Bell* is the story of a girl who tried to stop a train but finds herself on the runaway train of historical events It is a story about loyalty and betrayal heroism and fear What is most memorable about it is the empathy we feel for these characters who must make their way through some of the twentieth century's most tumultuous events The writing is infused with a poet's sensitivities to rhythm image and linguistic energy yet it is also beautifully restrained each image and each gorgeous observation is there for a very particular reason the entire story hums with the tension that arises from the taut athletic language **Ren:** Brittany Quagan,2016-08-02
