David Mitchell, 2022-06-08 A phrase we often use when describing ourselves is I am For many when we look at ourselves and describe what we see it is not what God intends We see ourselves through the lens of the way life has shaped us rather than the vision God has of us We need the corrective lens of God's word guided by His Holy Spirit to correct our vision You might ask What would be different about the way God sees me than the way I see myself Quite simply God knows all there is to know about you He knows you better than you know yourself When God sees you He sees you through the filter of His plans for you and His plans are significant When you see yourself through the eyes of God He enables you to finish the phrase beginning with I am in a different way This book challenges you to complete the thought using the same language to describe yourself God would use Once you see yourself through the eyes of God this vision will set you up for success giving you an outward focus and purposeful excitement as you wake up every morning *Puppy Love and Christmas Wishes* Merrilee Whren, 2024-12-20 Chloe Marsh wants to help Kinsley the young girl she tutors get a dog for Christmas Chloe has one obstacle Kinsley's Uncle Fletcher who is Kinsley's guardian Drawn to the man despite his resistance to Kinsley having a puppy Chloe is determined to change his mind Fletcher Hall returns to his hometown in order to take care of his niece who has lost both her parents Confronted with her wish for a puppy Fletcher stands firm in his opposition because of a traumatic incident from his past Will Chloe Kinsley and well meaning friends bring Chloe and Fletcher together and give Kinsley her Christmas wish **The Two and Only Kelly Twins** Johanna Hurwitz, Tuesday Mourning, 2013-09-24 Enjoying their special status as identical twins while dressing alike sharing activities and caring for identical pet ferrets second graders Arlene and Ilene begin feeling less special after meeting a set of triplets and struggle with other twin challenges until one of them is hospitalized causing a first time separation **Freedom's Price** Suzanne Brockmann, 2008-02-26 Could a revolutionary used to running wild win the heart of a world weary journalist Liam Bartlett had nearly lost his life in San Salustiano and for five years the correspondent had done his best to silence his ghosts But when Marisala Bolivar arrived in Boston all his memories returned along with a white hot hunger for the young rebel who'd hidden him and kept him alive Marisala ached for Liam's touch so long forbidden but now hers to fight for with a woman's fierce need Could a love once forged in fire at last burn true In this unforgettably sensual love story Suzanne Brockmann creates a portrait of two daredevil survivors tested by sorrow and bound by destiny to heal each other's wounds A flame who beckoned him out of the darkness she understood
