Unpacking Globalization Unpacking Globalization:

Unpacking Globalization Linda E. Lucas, 2007-08-02 Unpacking Globalization offers interdisciplinary analysis of the well being of women and men as they cope with the changes of globalization Through theory case studies and data several themes emerge indicating that from the household to the continental level change is leading to new awareness and new survival strategies for both women and men The contributors to the volume come from around the world Africa Asia Europe and North and South America

Unpacking Globalization, 2000 **The SAGE Handbook of Economic Geography** Andrew Leyshon, Roger Lee, Linda McDowell, Peter Sunley, 2011-02-17 This timely volume comprehensively summarises the various approaches to research that have come to constitute contemporary economic geography Expert assessments provide a lively sense of the research frontier making this essential reading for all who seek to understand and appreciate the field Eric Sheppard University of Minnesota One of the best economic geography texts in recent years covering both the history of the discipline and outlining areas for future research The quality of the chapters remains high throughout and many can and should remain as future reference for research and or teaching Pedro Marques Journal of Economic Geography What difference does it make to think about the economy in geographical terms The SAGE Handbook of Economic Geography illustrates the significance of thinking the economy and the economic geographically It identifies significant stages in the discipline s development and focuses on the key themes and ideas that inform present thinking Organised in sections with multiple chapters The SAGE Handbook of Economic Geography is a complete overview of the discipline that critically assesses Location the quantitative revolution and the new economic geography Geographies of globalization and capitalism Geographies of scale place and the local global Geographies of nature agriculture sustainable development and the political ecology Geographies of uneven development economic decline and money and finance Geographies of consumption and services Geographies of regulation and governance neo liberalism and welfare Placing the discipline in vivid historical and contemporary context The SAGE Handbook of Economic Geography is a timely essential work for postgraduates researchers and academics in economic geography The Globalization of Motherhood Wendy Chavkin, JaneMaree Maher, 2010-09-13 The convergence of dramatic declines in birth rates worldwide aside from sub Saharan Africa the rise of untrammelled global movement of capital people and information and the rapid fire dissemination of a host of new medical technologies has led to the globalization of motherhood This book brings together research from the Global North and the Global South to illuminate how contemporary motherhood is being changed by the processes of globalization It locates declining fertility and desire for motherhood in the context of female employment the development of the global market in reproductive technologies the

rising transnational labour market demand for feminized carework and changing family forms Focusing on the impacts on women who mother and enable others to do so across diverse contexts the book examines the way in which conception gestation mothering labor and care are being mobilized across national boundaries Bringing together demographers sociologists lawyers public health and social theorists this book will be of interest to students and scholars of globalization studies development studies gender studies feminist politics political economy human rights and social policy **Women Navigating Globalization** Jana Everett,Sue Ellen M. Charlton,2013-11-14 This up to date text offers a clear and cogent introduction to women in development Exploring the global structures and processes that impede or support the empowerment of women Jana Everett and Sue Ellen M Charlton use a feminist lens to understand contemporary gender roles Without such a lens they argue our understanding of globalization and development is incomplete resulting in flawed policies that fail to improve the lives of millions of people around the globe After a set of introductory chapters that conceptually frame the issues the authors then investigate women s struggles within and against globalization and development through powerful case studies of sex trafficking water work and health These chapters by using specific examples develop the concepts of structure and agency levels of analysis and feminist approaches as tools to help students understand the complexities of development and alternative strategies Through rich interdisciplinary analysis Everett and Charlton explore the individual and collective strategies women have used to improve their lives under globalization and weigh how effective they have been Their book will be an essential resource in women s studies political science political economy anthropology sociology and development studies Globalization and the Margins R. Grant,J. Short,2002-09-06 Globalization has become one of the dominant ideas of recent times However is the debate on globalization as global as it ought to be In this book Grant and Rennie Short have brought together prominent experts in the field to consider how globalization affects marginalized countries and groups A variety of case studies provide a unique assessment of the issue of globalization and offer a new look at the relationship between the global and the local **The Local Impact of Globalization in South and Southeast Asia** Bart Lambregts,Niels Beerepoot,Robert Kloosterman,2015-08-27 In the past two decades several millions of IT enabled services jobs have been relocated or offshored from the US and Europe to in particular low cost economies around the world Most of these jobs so far have landed in South and South East Asia with India and the Philippines receiving the bulk of them This has caused profound changes in the international division of labour and has had correspondingly wide social and economic effects This book examines how this next wave in globalization affects people and places in South and South East Asia It brings together twelve case studies from India the Philippines China Hong Kong and Thailand and explores how and for whom services offshoring creates opportunities triggers local economic transformations and produces challenges This book in addition compares how different countries take part in this second global shift investigates service sector driven economic development from a historical perspective and engages with the question whether and to what extent services offer

a new promising avenue of sustained economic growth for developing countries It argues that service led development in developing countries is not easy for all the workers involved or a guaranteed path to sustained economic development and prosperity This volume stands out from other books in the field in its exploration of the social and economic outcomes in the cities and countries where services have been located Based on cutting edge empirical research and original data the volume offers a state of the art contribution to this growing debate The book provides valuable insights for students scholars and professionals interested in services offshoring socio economic development and contemporary transformations in South and South East Asia

Globalization and Global Citizenship Irene Langran,Tammy Birk,2016-06-10 Globalization and Global Citizenship examines the meaning and realities of global citizenship as a manifestation of recent trends in globalization In an interdisciplinary approach the chapters outline and analyse the most significant dimensions of global citizenship including transnational historical and cultural variations in its practice foreign and domestic policy influences and its impact on personal identities The contributions ask and explore questions that are of immediate relevance for today s scholars including How does globalization in its current form present a new set of challenges for states non state actors and individual citizens How has globalization diminished expanded or complicated notions of citizenship What rights could exist outside the context of state sovereignty How can social accountability be imagined beyond the borders of towns cities or states What forms of political representational legitimacy could be productive on the global level When is it useful possible or desirable for individuals to identify with global political communities Drawing together a broad range of contributors and cutting edge research the volume offers chapters that seek to reflect the full spectrum of approaches and topics providing a valuable resource which highlights the value of an extended and thoughtful study of the idea and practice of global citizenship within a broader consideration of the processes of globalization It will be of great use to graduates and scholars of international relations sociology and global studies affairs as well as globalization
