Unpacking My Library Leah Price, 2011-11-29 As words and stories are increasingly disseminated through digital means the significance of the book as object whether pristine collectible or battered relic is growing as well *Unpacking My Library Writers and Their Books* spotlights the personal libraries of thirteen favorite novelists who share their collections with readers Stunning photographs provide full views of the libraries and close ups of individual volumes first editions worn textbooks pristine hardcovers and childhood companions In her introduction Leah Price muses on the history and future of the bookshelf asking what books can tell us about their owners and what readers can tell us about their collections Supplementing the photographs are Price's interviews with each author which probe the relation of writing to reading collecting and arranging books Each writer provides a list of top ten favorite titles offering unique personal histories along with suggestions for every bibliophile *Unpacking My Library Writers and Their Books* features the personal libraries of Alison Bechdel Stephen Carter Junot Diaz Rebecca Goldstein and Steven Pinker Lev Grossman and Sophie Gee Jonathan Lethem Claire Messud and James Wood Philip Pullman Gary Shteyngart and Edmund White *Unpacking My Library* Marcel Proust, 2017-01-01 A captivating tour of the bookshelves of ten leading artists exploring the intricate connections between reading artistic practice and identity Taking its inspiration from Walter Benjamin's seminal 1931 essay the *Unpacking My Library* series charts a spirited exploration of the reading and book collecting practices of today's leading thinkers *Artists and Their Books* showcases the personal libraries of ten important contemporary artists based in the United States Mark Dion Theaster Gates Wangechi Mutu Ed Ruscha and Carrie Mae Weems Canada Janet Cardiff and George Bures Miller and the United Kingdom Billy Childish Tracey Emin and Martin Parr Through engaging interviews the artists discuss the necessity of reading and the meaning of books in their lives and careers This is a book about books but it even more importantly highlights the role of literature in shaping an artist's self presentation and persona Photographs of each artist's bookshelves present an evocative glimpse of personal taste of well loved and rare volumes and of the individual touches that make a bookshelf one's own The interviews are accompanied by top ten reading lists assembled by each artist an introduction by Jo Steffens and Marcel Proust's seminal essay **Collecting, Curating, and Researching Writers' Libraries** Richard W. Oram, 2014-05-21 Academic collection practices in recent years have extended to the private libraries of notable individual authors As a consequence book historians have become more interested in the study of provenance of the contents of these libraries while literary scholars have devoted more attention to authorial annotations At the same time the Internet has encouraged both scholarly and hobbyist reconstructions of private libraries see for example the Legacy Libraries on Librarything.com Although there are many bibliographies and reconstructions of the libraries of authors this is the first general consideration of these libraries and serves as an introduction to best practices for academic libraries in their acquisition cataloging and issues of access This collection begins with principal editor Richard Oram's

historical overview of writers libraries and institutional collecting focusing primarily on English language authors The co editor Joseph Nicholson has provided a definitive review of best cataloging and arrangement practices that facilitate scholarly access The bookseller Kevin Mac Donnell discusses the marketing of these collections and obstacles to placing intact author libraries in institutions Also included are case studies by Amanda Golden and David Faulds relating to the personal libraries of the poets Anne Sexton and Ted Hughes indicating how these collections have the potential to enhance archival research Fiction writers Iain Sinclair Russell Banks Jim Crace poet Ted Kooser and biographer Ron Powers describe their sometimes passionate relationship with books and their own personal libraries The concluding chapter a location guide to over 500 individual libraries will be invaluable to scholars and librarians who want to know where writers libraries are currently located what happened to them if they are known to have been sold or dispersed and what has been written about them

Unpacking the Personal Library Jason Camlot, J.A. Weingarten, 2022-07-01 *Unpacking the Personal Library* The Public and Private Life of Books is an edited collection of essays that ponders the cultural meaning and significance of private book collections in relation to public libraries Contributors explore libraries at particular moments in their history across a wide range of cases and includes Alberto Manguel's account of the Library of Alexandria as well as chapters on library collecting in the middle ages the libraries of prime ministers and foreign embassies protest libraries and the slow transformation of university libraries and the stories of the personal libraries of Virginia Woolf Robert Duncan Sheila Watson Al Purdy and others The book shows how the history of the library is really a history of collection consolidation migration dispersal and integration where each story negotiates private and public spaces *Unpacking the Personal Library* builds on and interrogates theories and approaches from library and archive studies the history of the book reading authorship and publishing Collectively the chapters articulate a critical poetics of the personal library within its extended social aesthetic and cultural contexts

The Study Andrew Hui, 2024-12-03 A uniquely personal account of the life and enduring legacy of the Renaissance library With the advent of print in the fifteenth century Europe's cultural elite assembled personal libraries as refuges from persecutions and pandemics Andrew Hui tells the remarkable story of the Renaissance studiolo a little studio and reveals how these spaces dedicated to self cultivation became both a remedy and a poison for the soul Blending fresh insightful readings of literary and visual works with engaging accounts of his life as an insatiable bookworm Hui traces how humanists from Petrarch to Machiavelli to Montaigne created their own intimate studies He looks at imaginary libraries in Rabelais Cervantes Shakespeare and Marlowe and discusses how Renaissance painters depicted the Virgin Mary and St Jerome as saintly bibliophiles Yet writers of the period also saw a dark side to solitary reading It drove Don Quixote to madness Prospero to exile and Faustus to perdition Hui draws parallels with our own age of information surplus and charts the studiolo's influence on bibliographic fabulists like Jorge Luis Borges and Umberto Eco Beautifully illustrated *The Study* is at once a celebration of bibliophilia and a critique of bibliomania Incorporating perspectives on Islamic Mughal and Chinese

book cultures it offers a timely and eloquent meditation on the ways we read and misread today *Libraries in Literature* Alice Crawford, Robert Crawford, 2022 A collection that explores how libraries have been represented in English language fiction drama and poetry from the early modern period to the present day This accessible volume covers literature from Don Quixote to the work of M R James Agatha Christie and Haruki Murakami and draws together original essays by prestigious contributors **The Broadview Introduction to Book History** Michelle Levy, Tom Mole, 2017-04-30 Book history has emerged in the last twenty years as one of the most important new fields of interdisciplinary study It has produced new interpretations of major historical events has made possible new approaches to history literature media and culture and presents a distinctive historical perspective on current debates about the future of the book The Broadview Introduction to Book History provides the most comprehensive and up to date introduction to this field Written in a lively accessible style chapters on materiality textuality printing and reading intermediality and remediation guide readers through numerous key concepts illustrated with examples from literary texts and historical documents produced across a wide historical range An ideal text for undergraduate and graduate courses in book history it offers a road map to this dynamic inter disciplinary field
