American Myths, Legends, and Tall Tales Christopher R. Fee, Jeffrey B. Webb, 2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father s cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today s urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic

Nick Cave and the Bad Seeds' Murder Ballads Santi Elijah Holley, 2020-11-12 In a bar called The Bucket of Blood a man shoots the bartender four times in the head In the small town of Millhaven a teenage girl secretly and gleefully murders her neighbors A serial killer travels from home to home quoting John Milton in his victims blood Murder Ballads the ninth studio album from Nick Cave and the Bad Seeds is a gruesome blood splattered reimagining of English ballads American folk and blues music and classic literature Most of the stories told on Murder Ballads have been interpreted many times but never before had they been so graphic or profane Though earning the band their first Parental Advisory warning label Murder Ballads released in 1996 brought Nick Cave and the Bad Seeds their biggest critical and commercial success thanks in part to the award winning single Where the Wild Roses Grow an unlikely duet with Australian pop singer Kylie Minogue Closely examining each of the ten songs on the album Santi Elijah Holley investigates the stories behind the songs and the numerous ways these ballads have been interpreted through the years Murder Ballads is a tour through the evolution of folk music and a journey into the dark secrets of American history **Murder Ballads Old and New** Steven L Jones, 2023-09-12 Murder Ballads Old New A Dark and Bloody Record is an exploration of an age old topic our human need to document the horrors of the world around us The murder ballad here expanded to include songs about traumatic loss in modern variants and multiple styles including punk post punk alt country and folk The book is a graveyard stroll past tombs both well kept and half hidden

Murder Ballads Old New excavates facts about killers victims and the folkloric storytellers who disseminated their tales in song Author Steven L Jones focuses the tragic ballad as an act of remembering and a soul reckoning with the ineffable Songs examined range from obscure tunes from the founding days of the United States to familiar canonical songs learned in schoolrooms and honkytonks Jones tackles each song in a manner that s equal parts musicological psychosocial and genealogical as he uncovers stories that reveal larger contexts and maps the lineages of songs and themes forebears and ancestors Murder Ballads Old New includes a wide range of songs and performers from the relatively unknown Boiled in Lead Freakons Nelstone s Hawaiians to the ironically famous Johnny Cash Lou Reed Sonic Youth Highlights include tales of Muddy Waters guitar sideman Pat Hare whose incendiary blues boast I m Gonna Murder My Baby proved grimly prophetic And honky tonk pioneer Eddie Noack whose morbid stab at late career rebirth Psycho couldn t match the bottomless tragedy of his own life As well as Depression era holdup man Pretty Boy Floyd Schubert s mythical Erlk nig and the Manson Family Murder Ballads Old New is a compelling delve into the perennial American fascination with True Crime Includes archival and historical black white images

Death, American Style Lawrence R. Samuel,2013-07-05 The notion of one day disappearing from the earth forever is contrary to many of America s defining cultural values with death and dying viewed as un American experiences Arguing that death and dying may be our last major taboo this book shows how death and dying became almost unmentionable words over the course of the last century Although we have recently made some progress in reconciling the fact that life is a finite resource we remain very unprepared for the approaching tsunami of death as the largest generation in history begins to age and die in great numbers DEATH AMERICAN STYLE is thus highly timely and relevant suggesting that Americans need to individually and collectively come to terms with mortality if we are to learn to treat death as an inevitable part of life and to prepare accordingly As more and more Americans face end of life decisions it will be vital for us to radically change the current view of death and dying The alternative the author argues is that the emerging death centric society may bring with it a period of turmoil equivalent to that of the countercultural 1960s and 1970s

St. Andrew's Cross ,1915 Inspiring India: Taking India From Big To Great Virender Kapoor,2024-08-29 This book has the power to change how people think about India Many Indians wonder We have so many good things young workers smart scientists skilled managers natural resources and a 5 000 year old culture So why aren t we as successful as countries like Japan Singapore or those in Europe Have we reached our full potential If not why not Where did we make mistakes This book tries to answer these big questions It looks at the problems India faces both big and small If we all work and stand together the nation can leap frog into a super power very quickly It offers simple practical ideas to help India move forward It doesn t use complicated language or ideas Instead it presents common sense solutions that anyone can understand Reading it might give you a gentle push or nudge to think differently about India s challenges and potential It could inspire you to take action no matter how small to help make India better It s not just about complaining about problems but about
