Untamed Reactivating A Missional Form Of Discipleship Shapevine:

Untamed (Shapevine) Alan Hirsch, Debra Hirsch, 2010-02-01 Discipleship is costly Are we willing to critique and even challenge much we've been taught for the sake of the kingdom For this is the radical nature of the discipleship to which Jesus calls us He did not allow the outside culture to hold him captive instead he established the kingdom of God and turned the world on its head Jesus was untamed and he calls his church to be the same In this provocative and compelling book internationally known missiologists Alan and Debra Hirsch overthrow culturized understandings of theology and culture and cast a vision for a distinctly mission shaped way of living the Christian life Written for any Christian serious about issue of discipleship Untamed covers such topics as church humans as bearers of the image of God family life culture and sexuality Through it all they seek to answer the question how are we to think and live day to day as followers of Jesus Each chapter ends with suggested practices to help readers begin to live out the book's principles as well as questions for group discussion

The Road to Missional (Shapevine) Michael Frost, 2011-10-01 It has recently become acceptable and even fashionable to refer to one's church as missional But many churches misunderstand the concept thinking of going missional as simply being a necessary add on to church as usual This domestication of what is actually a very bold paradigm shift makes missional nothing more than one more trick to see church growth With a light hand and a pastoral spirit Michael Frost points out how church practitioners are not quite there yet He reestablishes the ground rules redefines the terms accurately and insists that the true prophetic essence of being missional comes through undiluted This clear corrective will take ministry leaders from not missional yet to well on their way

Confronting Technology Matthew T. Prior, 2020-03-16 We are living through a digital revolution which already touches every area of life and will continue to shape the future in as yet unforeseen ways Digital technologies are an ordinary part of daily life and yet they also present an unprecedented challenge to Christians to articulate a biblical theological framework to navigate times of rapid change The work of the French theologian Jacques Ellul is a theological time bomb primed for times like these Accounts of Ellul's career often divide off his sociology and theology but this book argues that Ellul conceived a single project of bringing technology into confrontation with the Word of God tackling the phenomenon he named technique the pursuit of maximal power and efficiency implicit in the technological enterprise with a profound depth of biblical and ethical insight Centering himself on the apocalypse or revelation of Jesus Christ in history Ellul offers a monumental timely though far from flawless contribution to contemporary ethical debates about the uses and abuses of technologies His work blazes a trail that Christians and all concerned for the future would do well to follow as we avoid both the naivety of technological neutrality and the dread of technological determinism

(re)Aligning with God Brian D. Russell, 2015-12-22 How do we communicate the message of the Scriptures in our twenty first century post Christian context re Aligning with God Reading Scripture for Church and World answers this question by presenting the Scriptures through the lens of mission and by teaching a method for reading Scripture with a missional

hermeneutic The biblical story seeks to convert us to its perspective and to transform its readers and hearers into God's missional community that exists to reflect and embody God's character to for in the world Ready to revolutionize your reading of the Bible and expand your ability to unleash the Scriptures in your context re Aligning with God will give you rich content and practical tools to become a profound inspiring and confident reader of the Bible for all who are seeking to hear its good news Sacrilege Hugh Halter,2011-10 Missional expert challenges the all too familiar religiosity found in many churches and helps readers re envision authentic faith by presenting an unvarnished picture of Jesus

Ordinary Hero Neil Cole,2011-01-01 Christians today are on a rescue mission Each of us is called to get involved in God's plan to make disciples A former California lifeguard Neil Cole weaves together his personal experiences of saving lives with biblical principles for how to make and multiply disciples Cole shows how to create Life Transformation Groups that can help a Christian grow in a safe and transparent relationship with one or two other spiritual pilgrims Full of heroic and even humorous stories Ordinary Hero captures readers imaginations and hearts and doesn't let go until they want to make a difference and know how to go about doing it L'Église émergente Gabriel Monet,2014 L'Eglise est en continuelle mergence Parce qu'elle a vocation na tre nouveau dans chaque nouveau contexte l o elle se retrouve en situation de postchr tient l'Eglise doit relever frais nouveaux le double d fi de la fid lit l'Evangile et de la pertinence culturelle Dans un premier temps cette th se explore les nouvelles formes d'Eglises qui cherchent relever ce d fi et qui voient le jour depuis quelques ann es et ont t identifi es sous l appellation d'Eglises mergentes Se d veloppant dans les pays occidentaux au sein ou en marge de tout le spectre des champs confessionnels ces communaut s s essayent pratiquer la voie de J sus au sein des cultures postmodernes Elles cherchent donc tre fid les leurs lieux et leur temps Centr es sur la mission sur le d veloppement communautaire ou sur l innovation liturgique ces Eglises proposent des approches vari es mais ont n anmoins des lignes de force communes Elles ouvrent la voie une r flexion plus large sur certains enjeux eccl siologiques contemporains qui constitue la deuxi me partie de cette tude Faisant notamment dialoguer les auteurs du mouvement des Eglises mergentes avec le th ologien missionnaire anglais Lesslie Newbigin se dessine une Eglise missionnelle incarnationnelle et exp rientielle

The Forgotten Ways Alan Hirsch,2006 A well known pastor and missiologist explores how the early church saw phenomenal growth and calls for a new kind of evangelism that combines missiology with the emerging church

Missional Discipleship After Christendom Andrew R. Hardy,Dan Yarnell,2018-03-14 It is not a changing culture reduced resources or a rescinding Christian memory that creates the greatest challenges for the church in the West It is the lack of a clear commitment to the intentional authentic and contextual expressions of missional disciple making which will shape current and future generations of followers of Jesus to express the values of the Kingdom today This book offers stimulating historical biblical and theological reflections on discipleship and considers some of the possibilities and opportunities afforded to us by our post Christian context Missional discipleship allows the missio Dei to shape us in our

engagement our practices and sustain us in the lifelong journey of becoming and developing disciples that follow Jesus today

Turning Missional Egmont Mika, 2020-10-19 This book gives a sharp diagnosis of the church today and the typical churchgoer who is going through the motions of religion But it is more than just a critique of institutional forms of church It provides a pathway for anyone who wants to move from sitting to going and from a place of living in comfort zone to the spiritual adventure of following Jesus Turning Missional clearly identifies the emotional and spiritual obstacles to becoming missional disciples and helps anyone interested to overcome these pitfalls and move forward It provides a blueprint for actually walking out the reality of a life that is devoted to the things that grip the heart of God If you hunger for more than your current church going experience this book will point you toward a life of becoming a disciple of Jesus who learns the most exciting vocation of all making others to be disciples of Jesus
