No Order in the Church Marcia Chambers,2022-06-20 In the closing of this book I am so happy that I got the courage to write it and the people that I am going to bless with it Knowledge is power but Knowledge means nothing if we don t put it in action and when God blesses us with it we have to share it with others I am thankful for the persons who encouraged me to do it We must ask questions Too much misunderstanding caused family coworker and friends to fall apart Let s connect and talk Too much fighting in the church Let s get together and unite We need more love in the church Talk is cheap too much talk and no action Let s fight against drugs Too many of our loved ones and friends lives have been destroyed by drugs We need more order not only in the church but also in the home and school We are supposed to build each other up not tear each other apart Life is a journey that comes with a lot of obstacles but if we put our trust in God we will make it No one should have control over how one should be dressed That is just my opinion Gossip is very dangerous most of the time it is not true and we must stop it Evil thoughts so a man thinks we must cancel and delete these thoughts before they become action We must pray against bondage too many people are in bondage and not even know it We must not be comfortable but always be hungry for more There is always room for improvement Let us support each other in any form of way We can and stop making excuses and when using words make sure you know the meaning before saying it and always remember words have power Last but not the least can we mind our own business for a change Love and thanks to everyone who is going to enjoy reading my book This is coming from my heart love and blessings I am really happy that I am able to use my book to shed some light on life experiences Everything I write in this book I did experience it in some form or way Life is full of experiences and I am happy I experienced them Looking forward for my next book and the download from the Holy Spirit and I can hear my dead grandmothers and my mom cheering me on Go girl you got the this I will continue to honor my ancestors
