husband have been doubly blessed with a child on the way and the perfect place to raise a family Annie Wojtoko is in Martha's Vineyard to help out and share in Jan's happiness but as the due date draws nearer Annie's concern for her best friend grows The pregnancy has left Jan frail and without an appetite She has become superstitious covering every mirror in her home and refusing to leave under any circumstances fearing her baby will die if she does And as Annie learns the violent history of the house she comes to realize that what is growing in Jan's body isn't a miracle at all but a mother's most terrifying nightmare Sharp and smart impossible to put down The Unwelcome Child is a genuine chiller of a ghost story
