Up Fools Hill And Almost Down:

A Trip Up Fool's Hill R. Roper, 2003-09 A series of contiguous sketches detail one young man's trip over fool's hill. Beginning with his first sexual encounter the story progresses through his early adolescence in the war years of World War Two where he and his friends indulge in a riotous rebellion against authority and the morality of the time. His High School years start his Trip in earnest as he and his associates find the joys of booze, cigarettes and sex and the thrill of bawdy parties. Our young hero's adolescence continues into his twenties when he encounters the freedom of Southern California, all of its temptations, its new experiences and its milieu of sex partying and sophomoric fun. Fool's Hill Dr. Ron Cubit, 2019-11-22

The two most important days in your life are the day you are born and the day you find out why. Mark Twain. Dr. Cubit's memoir Fool's Hill: The Meaning Why As displayed on the front cover, an angry young man is about to climb a hill which represents the challenge of discovering his meaning why. There is a path to follow, however, the young man cannot see what lies ahead because of the dark clouds. The front cover displays one path which he must traverse Fool's Hill to discover his meaning why and fulfill his destination in life. The young man is unclothed, indicating that he does not have the necessities or tools to navigate Fool's Hill or the wherewithal to choose what he needs to make the journey. The back cover displays the same young man, who is older now, after enduring the challenges of climbing Fool's Hill. Along the way, he finds his meaning why. Moreover, because of the lessons learned from his journey, he is fully clothed and prepared. Equipped with tools, on one hand is a doctorate degree and on the other is a hiking pole to help him avoid trips and falls. In addition, instead of a dark path as displayed on the front cover, the bridge on the back cover represents a straightforward path to fulfilling his meaning why. On the back cover, in the background, are more hills to master. Still, because of overcoming life's challenges and the tools acquired, the hills appear much smaller. Moreover, the scenery displayed on the back cover helps him not to forget that future challenges may exist. The scenery also helps him realize the beauty of his journey and to bestow gratitude for his relationship with God, which helped him overcome the obstacles along his path in addition to the blessings and serendipities acquired. The man looks beyond and can now use his God-given talents and tools to continue his journey and enhance his meaning why. Ergo, Dr. Cubit's life in the memoir Fool's Hill: The Meaning Why

Fool's Hill Richard A. Lupoff, 2015-07-30 GENOCIDE IN THE NAME OF LOVE Across the planet, only a handful of giant overcrowded doomed cities exist, cities like Norcal where multiple marriages are recommended and drug taking is encouraged. Across the planet, everyone waits for the reclamation of a lost technology that can save them. Everyone that is, except for the members of the Order of St. Jerome in Norcal. The Order of St. Jerome believes in peace, in morality, in two-person marriages and old-fashioned values. The trouble is in the name of love. The Order of St. Jerome has decided to sacrifice the Earth.
