Up From The Grave Night Huntress:

Up From the Grave Jeaniene Frost, 2014-01-28 There's always one more grave to dig. Lately life has been unnaturally calm for vampires Cat Crawfield and her husband Bones. They should have known better than to relax their guard because a shocking revelation sends them back into action to stop an all-out war. A rogue CIA agent is involved in horrifying secret activities that threaten to raise tensions between humans and the undead to dangerous heights. Now Cat and Bones are in a race against time to save their friends from a fate worse than death because the more secrets they unravel, the deadlier the consequences. And if they fail, their lives and those of everyone they hold dear will be hovering on the edge of the grave.

One Foot in the Grave Jeaniene Frost, 2009-10-13 You can run from the grave, but you can't hide. Half-vampire Cat Crawfield is now Special Agent Cat Crawfield, working for the government to rid the world of the rogue undead. She's still using everything Bones, her sexy and dangerous ex, taught her, but when Cat is targeted for assassination, the only man who can help her is the vampire she left behind. Being around him awakens all her emotions from the adrenaline kick of slaying vamps side by side to the reckless passion that consumed them. But a price on her head, wanted dead or half-alive, means her survival depends on teaming up with Bones. And no matter how hard she tries to keep things professional between them, she'll find that desire lasts forever and that Bones won't let her get away again.

In exchange for finding her father, Cat agrees to train with the sexy night stalker until her battle reflexes are as sharp as his fangs. She's amazed she doesn't end up as his dinner, but there are actually good vampires. Pretty soon, Bones will have her convinced that being half-dead doesn't have to be all bad. But before she can enjoy her newfound status as kick-ass demon hunter, Cat and Bones are pursued by a group of killers.
