Uploady Virgin:

Virgin Hanne Blank, 2008-03-04 A provocative social history examines the history of virginity and of noted virgins in Western culture describing the unique fascination civilization has had for virginity from a social political economic philosophical medical and legal standpoint Reprint **The Ruthless Greek's Virgin Princess** Trish Morey, Misuzu Sasaki, 2011-03-01 Marietta a princess of Montvelatte is just looking at the last man she wants to encounter in the world Yanis Markides a successful financial adviser who threw a young princess out of his bed ten years ago She loved him and decided to give herself as his birthday present back then but was rejected because he could only think of her as a younger sister They now meet again at Marietta's brother's wedding as dance partners and Yanis whispers to her Let's love each other tonight **The Sicilian's Virgin Bride** Sarah Morgan, 2008-02-01 Commanded back to her husband's bed Women did not walk away from Sicilian billionaire Rocco Castellani All he'd wanted was a lovely biddable wife Instead Francesca had taken off before the first dance at their wedding breakfast But Rocco has tracked down his runaway young bride and now she's back by his side where a good Sicilian wife should be Rocco was cheated out of his wedding night and now nothing's going to stop him from taking his virgin bride *The Way of a Virgin: Being Excerpts from Rare, Curious and Diverting Books* L. Brovan, 2020-09-28 In Europe young girls who are not very virtuous and who have studied all the various forms of flirtation are most generally passed off as virgins when they marry Even when it does not really exist there are many ways by which a virginity which perhaps has been sold over and over again by expert and clever procuresses can be simulated A little time before going to the nuptial bed the girl inserts into her vagina a few drops of pigeon's blood or in some cases she selects for her wedding day the last day of menstruation A sponge skillfully placed allows the blood to flow at the moment of the catastrophe when a sudden Oh announces to the unsuspecting husband that the temple has been violated for the first time and that the veil of the sanctum sanctorum has really been rent by him Add also to these methods injections so astringent that at the required time they will give to a prostitute whose gap has been widened by a thousand customers a tightness greater than that of a real virgin The more one examines the question the more one is convinced that virginity or chastity has come to be regarded as a spiritual and moral asset only in civilised or comparatively civilised society In considering the moral quality of chastity among savages writes Havelock Ellis *Studies in the Psychology of Sex* vol 6 p 147 we must carefully separate that chastity which among semiprimitive peoples is exclusively imposed upon women This has no moral quality whatever for it is not exercised as a useful discipline but merely enforced in order to heighten the economic and erotic value of women Many authorities believe that the regard for women as property furnishes the true reason for the widespread insistence on virginity in brides Thus A B Ellis speaking of the West Coast of Africa Yoruha Speaking Peoples pp 183 et seq says that girls of good class are betrothed as mere children and are carefully guarded from men while girls of lower class are seldom betrothed and may lead any life they choose Virginity in woman it seems has been set on a pedestal unsupported by

history science or investigation It is obviously the outcome of man's desire when he buys or acquires to obtain unsoiled goods Comes a time however when the value of these so called unsoiled goods grows questionable Something virgin in terms of common sense is not necessarily something valuable here enters the thinking and ultimately the erotic element Let a man fall to asking why he demands virginity and he will speedily begin to realise that it is the last thing he requires Virginity spells ignorance awkwardness and obstacles maturity means understanding and co operation Thus by easy stages we reach the conclusion mentioned by Havelock Ellis and quoted above that for most men whether they realise it or not the love wise woman has a greater erotic value than the virgin 14 Quoting Westermarck History of Human Marriage he goes on to refer to the fact that the seduction of an unmarried girl is chiefly if not exclusively regarded as an offence against the parents or family of the girl and there is no indication that it is ever held by savages that any wrong has been done to the woman herself

The Way of a Virgin L and C Brovan, 2019-12-22 What is virginity Edited by the pseudonymous L and C Brovan and first published privately in 1922 The Way of a Virgin is an utterly strange book compiling excerpts from rare curious and diverting books This weird piece of erotica is devoted to the romance and folklore of Virginity This volume contains copious explanatory notes and bibliographical references **Concerning Virginity**, **The Virgin Diaries** Kimberley A.

Johnson, Ralph Faust, 2010-04-14 WHAT DOES IT FEEL LIKE TO LOSE YOUR VIRGINITY Seventy two men and women answer that burning question Hundreds of years of collective experience answer the questions every virgin has THE VIRGIN DIARIES is a book about sex that really isn't about sex at all Rather it's about the feelings associated with that first time wondering about it worrying about it the expectations the surprises and the disappointments Within these pages are the recollections of seventy two people young and old gay and straight who responded to the call for answers This candid collection of stories provides a unique opportunity to be a fly on the wall There is no commentary The stories stand on their own allowing the reader to form his or her own conclusions Whether you are a virgin and desire to make an informed decision a parent faced with the talk or are interested in reading detailed accounts of one of life's most personal experiences THE VIRGIN DIARIES offers confidential insights and illustrates the commonalities we all share our hopes dreams fears and insecurities It shows that we are all human and therefore all connected *The Foolish Virgin* Kathleen Thompson

Norris, 1928 **The Christian Virgin in Her Family and in the World**, 1890 **The Blessed Virgin in the Fathers of the First Six Centuries** Thomas Livius, 1893
