Rodney Greenblat uses lighthearted narrative and vivid pop art paintings to celebrate the joys of living life from the inside out Part graphic guide part personal testimony part art book *Dharma Delight* illustrates how seeking the path of compassion and acceptance can be as zany and exuberant as it is profound It is a happy exploration of Buddhist Enlightenment what it is where to seek it and how to recognize the perfection in ourselves A great option for Zen beginners and experienced practitioners alike sutras teachings Bodhisattvas enlightened beings and jataka tales parables are presented in a way that s simple upbeat and fun to read The original paintings some new some already known on the New York art scene and elsewhere are an imaginative and affirming mind s eye view of Buddhist teaching Together the words and illustrations are a warm and cheerful invitation to newcomers and a cool splash of refreshment to any traveler on the road to enlightenment

Zen Comics (II), 1982 Read one or two of the witty and provocative Zen riddles in this book and you will find in the words of Zen that nothing is left for you but to laugh In Ioanna Salajan s delightful drawings the Old Monk and his disciples spread the message of Zen through stories and koan that are as hilarious as they are profound as meaningful as they are mysterious This book dips further into the treasures of Zen wisdom that furnished the first volume of *Zen Comics* which has enjoyed extraordinary popularity around the world Due to the concise self contained nature of the Zen riddle those who have not read the first volume can start just as well with this second one The comic strip turns out to be an ideal medium to communicate the Zen spirit in which laughter deflates pretension and a good rap on the head may transcend all logic A koan is a paradox used in Zen Buddhism as an instrument of meditation a bit of apparent nonsense that forces one to abandon dependence on reason and break through to sudden intuitive understanding The Old Monk a wise and whimsical character dispenses enlightenment to his disciples and perhaps the reader through these ironic rapier like verbal thrusts or sometimes a whack with a stick Zen teaches that it is not where you are going but how you are going Truly there is no better way to go than with these fresh but eternal gems of insight
