

URGENT LONGINGS

*Reflections on Infatuation,
Intimacy, and Sublime Love*

THOMAS J. TYRRELL

Thomas Tyrrell here studies the critical role infatuation plays in the development of human love. Unique in his approach, Tyrrell takes this often-unappreciated aspect of love and highlights its essential nature as the first step in building a mature, intimate relationship.

As Tyrrell sees it, infatuation is an experience fostered by a deep, personal loneliness in which there is an intense desire for intimacy with a perfect other. In this search to find the perfect other, we become sharply aware of our limits, weaknesses, and imperfections, striving to hide our vulnerability behind a mask.

Tyrrell uses the classic mystical poems of John of the Cross, *The Dark Night of the Soul* and *The Spiritual Canticle*, to break open and examine the complexities of love. His writing is psychological in nature, yet always mindful of the elements of spirituality necessary for the wholeness of individual persons.

Tyrrell acknowledges the difficulties of assimilating everyday life with spiritual strivings, yet yields no ground in his belief in the value of this blend. *Urgent Longings* is a book that will find wide acceptance among all who seek a deeper, more loving and joy-filled life.

Thomas Tyrrell is a clinical psychologist in private practice, as well as an staff at Piller St. John's Hospital, Doringham, Pennsylvania. Prior to this affiliation, he was on staff at the House of Affirmation, Elizabeth, Massachusetts.
