positions and in the destruction of armoured vehicles Facing them were hardened Soviet troops who had perfected the use of urban camouflage concealed and interlocking firing positions close quarters battle and sniper support This fully illustrated book explores the tactics and effectiveness of these opposing troops during this period focusing particularly on the brutal close quarters fight over the Krasnaya Barrikady Red Barricades ordnance factory **Reluctant Warriors, 1941-1945** Mathilde Gilzinger,2002-07-08 Reluctant Warriors 1941 1945 an autobiographical memoir set in New York Texas Tennessee Florida and the European Theater of Operations describes the lives of young people caught up in World War II daily life during those years and the profound effect the war had on that life Extensive illustrations include original photographs official Army correspondence wedding invoices and menus telegrams V mail and air combat descriptions over Europe The uniqueness of the war years resonates deeply in the minds of those who endured them Reluctant Warriors presents an honest intimate and poignant description of many peoples lives during those years *US Airborne Units in the Mediterranean Theater 1942-44* Gordon L.
