The Baroness Hannah Rothschild, 2013-03-19 Beautiful romantic and spirited Pannonica known as Nica named after her father s favorite moth was born in 1913 to extraordinary eccentric privilege and a storied history The Rothschild family had in only five generations risen from the ghetto in Frankfurt to stately homes in England As a child Nica took her daily walks dressed in white with her two sisters and governess around the parkland of the vast house at Tring Hertfordshire among kangaroos giant tortoises emus and zebras all part of the exotic menagerie collected by her uncle Walter As a debutante she was taught to fly by a saxophonist and introduced to jazz by her brother Victor she married Baron Jules de Koenigswarter settled in a chateau in France and had five children When World War II broke out Nica and her five children narrowly escaped back to England but soon after she set out to find her husband who was fighting with the Free French Army in Africa where she helped the war effort by being a decoder a driver and organizing supplies and equipment In the early 1950s Nica heard Round Midnight by the jazz pianist and composer Thelonious Monk and as if under a powerful spell abandoned her marriage and moved to New York to find him She devoted herself to helping Monk and other musicians she bailed them out of jail paid their bills took them to the hospital even drove them to their gigs and her convertible Bentley could always be seen parked outside downtown clubs or up in Harlem Charlie Parker would notoriously die in her apartment

in the Stanhope Hotel But it was Monk who was the love of her life and whom she cared for until his death in 1982 Hannah Rothschild has drawn on archival material and her own interviews in this quest to find out who her great aunt really was and how she fit into a family that although passionate about music and entomology was reactionary in always favoring men over women Part musical odyssey part love story The Baroness is a fascinating portrait of a modern figure ahead of her time who dared to live as she wanted finally at the very center of New York's jazz scene Nica's Dream David Kastin,2011-06-20 The first biography of the legendary Rothschild heiress who reigned as New York's Jazz Baroness It's a misty night in 1950s New York A silver Rolls Royce screeches to a stop at the neon lit doorway of a 52nd Street jazz club Behind the wheel is a glamorous brunette a chinchilla stole draped over her shoulder and a long cigarette holder clinched in her teeth After taking a pull from a small silver flask she glides past the bouncer into the murky depths of the Three Deuces The Jazz Baroness has arrived Raised in fairy tale splendor Kathleen Annie Pannonica Rothschild de Koenigswarter known as Nica piloted her own plane across the English Channel married a French baron fought in the French Resistance and had five children Then she heard a recording of Thelonious Monk's Round Midnight Inspired by the liberating spirit of jazz Nica left her family moved to Manhattan and began haunting the city's nightclubs The tabloids first splashed her name across the headlines after Charlie Parker died in her hotel suite a scandal that cast a dark shadow over the rest of her life She retreated from the public eye but through her ongoing ministrations to Monk and dozens of other musicians she became a legend Nearly a score of jazz compositions have been written in her honor including two of the most beloved classics of the genre Horace Silver's Nica's Dream and Monk's Pannonica Nica's Dream traces the story of a fascinating woman across her thirty year reign as the Jazz Baroness but it also explores a transformative era in twentieth century American culture Based on interviews with musicians family members historians and artists David Kastin's probing biography unwraps the life of this enigmatic figure and evokes the vibrancy of New York during the birth of bebop the first stirrings of the Beat Generation and the advent of abstract expressionism The Interrelationship of Leisure and Play Robert A.
