Thrift Store Saints Meeting Jesus 25 Cents At A Time:

Thrift Store Saints Jane Knuth, 2010 A thrift store in inner city Kalamazoo Michigan Exactly the place where you d expect to meet Jesus right Knuth s church going background had not prepared her for the soul stirring experiences she experienced there By serving the poor they gave her much more than she could ever give them *Thrift Store Saints* Jane Knuth, 2010-10-01 First place winner for Popular Presentation of the Catholic Faith from the Catholic Press Association Thrift Store Saints is a collection of true stories based on Jane Knuth s experiences serving the poor at a St Vincent de Paul thrift store in the inner city of Kalamazoo Michigan At the outset of the book Knuth is a reluctant new volunteer at the store sharing that her middle class suburban church going background has not prepared her well for this kind of work By the end of the book Knuth has undergone a transformation of sorts and neither she nor we can ever view the poor in the same way again Knuth s transformation is rooted in the prevailing message of Thrift Store Saints When we serve the poor they end up helping us as much as we help them Throughout the book we are introduced to new saints as Knuth thoughtfully at times humorously describes how her encounters with the poorest people led her to the greatest riches of God s grace Thrift Store Saints makes clear that it doesn t require heroic Mother Teresa types to make a difference with the poor and it even more powerfully shows us that working with them is not gloomy depressing work Knuth s moving stories demonstrate the profound joy any of us can experience when we see serving the poor not as social work but as a spiritual path that leads us to the heart of Jesus **From Goodwill to Grunge** Jennifer Le Zotte, 2017-02-02 In this surprising new look at how clothing style and commerce came together to change American culture Jennifer Le Zotte examines how secondhand goods sold at thrift stores flea markets and garage sales came to be both profitable and culturally influential Initially selling used goods in the United States was seen as a questionable enterprise focused largely on the poor But as the twentieth century progressed multimillion dollar businesses like Goodwill Industries developed catering not only to the needy but increasingly to well off customers looking to make a statement Le Zotte traces the origins and meanings of secondhand style and explores how buying pre owned goods went from a signifier of poverty to a declaration of rebellion Considering buyers and sellers from across the political and economic spectrum Le Zotte shows how conservative and progressive social activists from religious and business leaders to anti Vietnam protesters and drag queens shrewdly used the exchange of secondhand goods for economic and political ends At the same time artists and performers from Marcel Duchamp and Fanny Brice to Janis Joplin and Kurt Cobain all helped make secondhand style a visual marker for youth in revolt **Love Will Steer Me True** Jane Knuth, Ellen Knuth, 2014-11-01 When Ellen Knuth a recent college graduate decided to take a teaching job that sent her to across the world to a remote part of Japan her mother Jane first felt the palpitations of worry The closest Christian church was two hours by bullet train and Jane couldn t be sure what kind of spiritual support her daughter would have available Ellen about to embark on a momentous experience was more concerned about navigating cultural differences and handling

her first classroom than the Mass schedule of far flung churches Thus a mother and daughter begin a cross continental winding journey in learning to relate to one another and their personal faith through the different lenses of their lives With each section written individually Jane and Ellen separately tackle their own perspectives on faith family and their place in the world Somehow they must find a path that allows Jane to let go of her spiritual plans for Ellen and Ellen to let God find her wherever she is Delightfully conversational and inviting Love Will Steer Me True shows how a mother and daughter swerve and weave their way into a new understanding of themselves of their familial relationship and of their faith Laugh learn and wonder along with Jane and Ellen as they begin to tackle their new realities **The Gospel Trumpet** ,1920 **Religious**
