Unseen Molly Burke, 2025-10-14 From social media star and change maker Molly Burke a vulnerable honest and darkly humorous memoir on navigating the challenges of being a blind woman in a sighted world When Molly Burke was four years old she was diagnosed with retinitis pigmentosa a rare degenerative eye disease that leads to eventual blindness forcing her to see the world through new eyes literally Growing up disabled didn't stop her from playing sports becoming a rock climbing instructor or winning a beauty pageant but other people's narrow perceptions of her held her back Years of relentless bullying toxic work environments a rodent infested apartment and life's lowest moments were juxtaposed with red carpets first class flights and personal and professional achievements Throughout her life Molly has learned to appreciate the duality and most importantly she's learned the beauty of being unapologetically yourself and standing up for what you truly believe in In *Unseen* Molly chronicles her journey as a disabled woman entrepreneur and entertainer illuminating what her experiences have taught her and what she hopes others can learn from her hardship and successes Part memoir part rallying cry for a more compassionate and empathetic world *Unseen* recounts Molly's life and experiences fighting against the expectations society set for her and in doing so helps readers find their own voice inner strength and self acceptance

No Matter Who Kathryn Merriam, 2023-01-18 A broken world A fallen child Only one way out SJ feels like he is exhausting all of his efforts So much of that prayer feels familiar because he has been asking Him for those blessings every day He has done all He has asked him to do from daily prayers scripture study regular church attendance and clinging to his wife But none of it seems to be working

God is still silent And Anja is sick and only getting sicker She knows she cannot do it on her own But if she lets go the story being written is so much harder than what she would write Life would be easier if she was able to finish her own story But God has different plans I know what you carry I see the load that weighs you down My child let go of your worries your doubts your fears your guilt and your pain Please let me take them from you and I will lift you to heights you do not know I am here to hold your hand to walk beside you to carry you I want you to be happy My child Let go for these are not your battles to fight So maybe just maybe it isn't their story or your story to write Thank you for joining me once again as we continue our dive into darkness where we ask ourselves as the world grows darker and the pain runs deeper will SJ and Anja look to the world to define who they are or will they turn to the God of heaven and of earth to remember who they are
