Israelism I mean a certain kind of literal reading of the Scriptures God's revealed plan for Israel and the Jewish people are construed by many in such a way that Jews are to receive a higher status or a lower place than all other nations These two opposite positions have many gradations from moderate to extreme The most extreme consequences are glorification and degradation idolization and hatred Philo Semitism and Anti Semitism Christian Zionism Examined emphatically asserts that the Bible provides absolutely no basis for this literal way of reading and understanding the prophetic word in the Holy Scriptures God's promises of redemption and judgment to Old Testament Israel have never meant to be solely fulfilled to one particular ethnic people and geographical area i e only modern Israel or only the Jewish people Redemption and judgment are fulfilled in Christ In him those promises or predictions have received a final meaning for all nations essentially for all creation The completion of that fulfillment will take place upon his return in the perfection of his kingdom or his universal rule and in the final judgment

Mad or God? Pablo Martinez, Andrew Sims, 2018-07-19 Imagine someone with a mind so healthy that he doesn't need to see a psychiatrist Ever Yet that person runs the gauntlet of taunting mockery and false accusations People turn against him Friends disown and desert him He stands alone Amazingly two thousand years after his death the taunts still fly Films and books appear with fresh accusations and oh so convincing arguments How can this man be discredited and silenced for once and for all More to the point can he As psychiatrists we need to speak up Enough is enough Shadow us as we examine what we believe to be the most fascinating mind in all of history Dare you imagine a different reality And what will this mean in practice Jesus had greater influence than any other person who ever lived Yet atheistic detractors often portray him as insane or deranged Claims gather momentum Often they are left unchallenged Is there any basis for such claims The authors respected psychiatrists consider Jesus's words actions and teaching and use fascinating insights from psychiatry to make an assessment We need confidence to weigh up the evidence and reach robust conclusions The authors enable us to articulate a strong defence of Jesus's mental health They help us dispel doubts affirm our faith and present a captivating portrait of Jesus Foreword by John Lennox Part 1 Showing that Jesus was not mentally ill 1 The mind of Christ through a psychiatrist's eye 2 Out of his mind was Jesus psychotic 3 A man of sorrows did Jesus suffer from any other mental disorder Part 2 Showing that Jesus had a healthy mind proved by the coherence of his words and deeds 4 The test of his character and the crowds were amazed 5 The test of a consistent life what evil has he done I find no crime in him 6 The test of meaningful relationships encounters that transformed lives 7 The test of adversity lessons without words in suffering 8 The test of influence his power to change people Epilogue The test of his claims who do you say I am

Providence in the Story of Scripture Adamson Co, 2025-05-06 The doctrine of providence is often too abstract complex or detached from real life situations for introductory students Drawing on years of experience in the classroom and the church Adamson Co offers an introductory guide that uses the creation motif of the Bible to highlight the importance of providence for the Christian life Co begins with a brief introduction to providence to give students the state of the question He then explores the classical
