Through The Valley Vietnam 1967 1968:

Through the Valley James F. Humphries, 2008-10-13 The fierce close combat in the remote areas of South Vietnam's northern provinces in 1967-68 the battles of Hiep Duc March 11 Nhi Ha and Hill 406 has been a strangely underreported slice of the Vietnam War Through the Valley brings those battles into sharp focus chronicling the efforts of the proud units of the Americal Division and the 196th Light Infantry Brigade against a stubborn enemy in long forgotten villages and on torturous hills Colonel Humphries draws on both his own combat experience and the eyewitness reports of fifty former veterans to reconstruct what it was like to fight in Vietnam

Through the Valley James F. Humphries, 2022 Recounts the fierce close combat in the remote areas of South Vietnam's northern provinces in 1967-1968 Through the Valley James F. Humphries, 2008-10-13 Based upon his own recollections while serving with the 196th Light Infantry Brigade those of fifty other Vietnam veterans and declassified documents from both sides of the war Col Humphries recounts the battles of South Vietnam's northern provinces in 1967-1968 **Army**, 1999 *Military Review*, 2000 *Supplement to Vietnam 1964-1973*

, 2005 **Supplement to Vietnam 1964-1973** Elwood L. White, 2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist **On War and Leadership** Michael Owen Connelly, 2009-01-10 What can we learn about leadership and the experience of war from the best combat leaders the world has ever known This book takes us behind the scenes and to the front lines of the major wars of the past 250 years through the words of twenty combat commanders What they have to say which is remarkably similar across generational national and ideological divides is a fascinating take on military history by those who lived it It is also worthwhile reading for anyone from any walk of life who makes executive decisions The leaders showcased here range from Frederick the Great to Norman Schwarzkopf They include such diverse figures as Napoleon Bonaparte commanders on both sides of the Civil War William Tecumseh Sherman and Stonewall Jackson German and American World War II generals Rommel and Patton a veteran of the Arab Israeli wars Moshe Dayan and leaders from both sides of the Vietnam War Vo Nguyen Giap and Harold Moore What they have had in common is an unrivaled understanding of the art of command and a willingness to lead from the front All earned the respect and loyalty of those they led and moved them to risk death The practices of these commanders apply to

any leadership situation whether military business political athletic or other Their words reveal techniques for anticipating the competition leading through example taking care of the troops staying informed turning bad luck to advantage improvising and making bold decisions Leader after leader emphasizes the importance of up front muddy boots leadership and reveals what it takes to persevere and win Identifying a pattern of proven leadership this book will benefit anyone who aspires to lead a country a squadron a company or a basketball team It is a unique distillation of two and a half centuries of military wisdom

Looking for a Hero Peter Maslowski, Don Winslow, 2020-10-08 Widely acclaimed as the Vietnam War's most highly decorated soldier Joe Ronnie Hooper in many ways serves as a symbol for that conflict His troubled tempestuous life paralleled the upheavals in American society during the 1960s and 1970s and his desperate quest to prove his manhood was uncomfortably akin to the macho image projected by three successive presidents in their tough policy in Southeast Asia Looking for a Hero extracts the real Joe Hooper from the welter of lies and myths that swirl around his story in doing so the book uncovers not only the complicated truth about an American hero but also the story of how Hooper's war was lost in Vietnam not at home Extensive interviews with friends fellow soldiers and family members reveal Hooper as a complex gifted and disturbed man They also expose the flaws in his most famous and treasured accomplishment earning the Medal of Honor In the distortions half truths and outright lies that mar Hooper's medal of honor file authors Peter Maslowski and Don Winslow find a painful reflection of the army's inability to be honest with itself and the American public with all the dire consequences that this dishonesty ultimately entailed In the inextricably linked stories of Hooper and the Vietnam War the nature of that deceit and of America's defeat becomes clear

Airborne Landing to Air Assault Nikolaos Theotokis, 2020-07-30 A complete history of paratroopers and their role in modern war including a glossary and photos Many books have been written about military parachuting particularly about famous operations like Crete and Arnhem in the Second World War and notable units like the British Parachute Regiment and the US 101st Airborne Division but no previous book has covered the entire history of the use of the parachute in warfare In this valuable study Nikolaos Theotokis traces in vivid detail the development of parachuting over the last hundred years and describes how it became a standard tactic in twentieth century conflicts As well as depicting a series of historic parachute operations all over the world he recognizes the role of airmen in the story for they were the first to use the parachute in warfare when they jumped from crippled planes in combat conditions Adapting the parachute for military purposes occurred with extraordinary speed during the First World War and by the time of the Second World War it had become an established technique for special operations and offensive actions on a large scale The range of parachute drops and parachute led attacks was remarkable and all the most dramatic examples from the world wars and lesser conflicts are recounted in this graphic and detailed study The role played by parachute troops as elite infantry is also a vital part of the narrative as is the way in which techniques of air assault have evolved since the 1970s

Army History, 2001 Parameters, 2000 **An Unsung Soldier** Robert S Jordan, 2013-10-01

Gen Andrew J Goodpaster was one of the leading soldier scholars of his time He stood as a key figure among the dominant American military and political personalities during the Cold War Goodpaster served Gen Dwight Eisenhower in establishing the international military component of NATO and then served as Staff Secretary and Defense Liaison Officer in the Eisenhower White House He achieved the highest international military command assignment possible when after serving in Vietnam as Deputy Commander he was appointed NATO s Supreme Allied Commander Europe He was called out of retirement to restore the integrity of West Point after a major ethical crisis Upon his final retirement and for over a quarter century thereafter he was actively involved in both the formal and informal world of Washington policy making making his mark repeatedly as a respected participant **Special Bibliography Series** ,1957 *A Shau* Jay Phillips,2021-05-11

Nestled in Vietnam s Thua Thien Province west of the city of Hue and bordering Laos the narrow 40 kilometer long A Shau Valley situated between densely forested mountain ranges witnessed prolonged campaigning throughout the Vietnam War and served as a hub of the Communist supply network as well as a key point of access to South Vietnam Drawing upon an impressive array of archival materials this deeply researched book offers the first comprehensive account of operations and battles that transpired there during the war coupled with a trenchant analysis of the American failure to wrest control of the Valley despite years of commitment of troops and resources and how that failure contributed to the final outcome of the war In so doing it not only sheds light on where military tactics and strategy devised by American leaders went awry but also traces the extraordinary acts of heroism on the part of American soldiers many of whom lost their lives fighting the North Vietnamese in this hostile forbidding terrain This book which fills a gap in the historiography of the Vietnam War will appeal to scholars seeking to enhance their understanding of major events and turning points in the war as well as to students of military history and strategy *The Siege at Hue* George W. Smith,1999 Marine Corps in evicting the North Vietnamese Army He also tells of the social and political upheaval in the city reporting the execution of nearly 3 000 civilians by the NVA and the Vietcong BOOK JACKET The tenacity of the NVA forces in Hue earned the respect of the allied troops on the field and triggered a sequence of attitudinal changes in the United States It was those changes Smith suggests that eventually led the United States to abandon the war BOOK JACKET *Infantry* ,1999 *The Journal of Military History* ,2000 **Air University Library Index to Military Periodicals** ,1999 **The 31st Infantry Regiment** The Members of the 31st Infantry Regiment Association,2019-02-11 Formed in 1916 the U S Army 31st Infantry Regiment known as the Polar Bears has fought in virtually every war in modern American history This richly illustrated chronicle of the regiment s century of combat service covers their exploits on battlefields from Manila to Siberia including Pork Chop Hill Nui Chom Mountain and Iraq s Triangle of Death along with their survival during the Bataan Death March and the years of brutal captivity that followed
