## **Through Western Eyes Eastern Orthodoxy A Reformed Perspective:**

**Through Western Eyes** Robert Letham, 2010-09-20 The culture of the Eastern Church to many is alien Yet there are recognizable family resemblances This book aims to start to get to know one another again from a Reformed Protestant perspective

**Eastern Orthodoxy Through Western Eyes** Donald Fairbairn, 2002-01-01 In the last decade Eastern Orthodoxy has moved from being virtually unknown to Western Christians to being a significant presence on the religious scene in North America and Great Britain In light of Orthodoxy's growing presence this book will introduce Western Christians to the Eastern Orthodox vision of the Christian life by examining Orthodox theology and worship and will also alert readers to the cultural and historical factors that shape any interpretation of the Christian faith

**The Politics of Reformation** Gary McKee, 2024-06-17 In this book you will learn of the unheralded CMS missionary Benjamin Bailey You will hear the story through unpublished archive material combined with rare accounts from an Indian perspective You will see how church reformation in India was aided by Western involvement but retained independence from it You will learn how the story of colonial politics and church reform are intertwined but never straightforward For practitioners today there is much food for thought in this account

*Perspectives on the Sabbath* Charles P. Arand, 2011 Four views of the Sabbath commandment Seventh day Fulfillment Christian Sabbath and Lutheran are presented by scholars in point counterpoint style to determine which is most faithful to Scripture

**A New Creation in Christ** T. Michael Christ, 2024-08-08 What is the most important book on sanctification For John Murray it was Walter Marshall's *The Gospel Mystery of Sanctification* William Cowper praised Marshall I think Marshall one of the best and most spiritual expositors of Scripture The Marrow men also commended Marshall Even Andrew Murray believed *Gospel Mystery* to be the one book admitted by all to be the standard on sanctification Marshall's enduring value is well established yet scarcely any resources explain Marshall's theology T Michael Christ's *A New Creation in Christ* fills this void by exploring Marshall's theology in the context of the antinomian and neonomian controversies of Marshall's day At a time when interlocutors were pushing one another to further extremes Marshall achieves balance because he grounds sanctification in the believer's union with Christ and deploys two limiting concepts that discourage using one error to refute the other He insists both that some measure of assurance of salvation must precede actual works of holiness refuting neonomians and that holiness is a necessary part of salvation countering antinomianism *A New Creation in Christ* explores how these limiting concepts translate into practical help for those who as Marshall says pursue holiness under the guilt and power of indwelling sin

**The Holy Trinity Revisited** Thomas A Noble, Jason S Sexton, 2015-02-01 A critical engagement with Stephen Holmes's recent highly acclaimed work on the Trinity The Trinitarian resurgence has been celebrated by the majority of recent theologians and has impacted nearly every area of modern theology A careful rendering of the tradition reaches a high point in Stephen R Holmes *The Holy Trinity* Understanding God's Life Paternoster 2012 This book contains invited essays covering a range of perspectives and hosts

contributors from around the world who are critically appreciative of Holmes work and its significance for contemporary reflection on this doctrine of the Trinity      Missio Dei Thomas Schirrmacher, 2018-05-10 The important term Missio Dei Mission of God needs a biblical foundation The sending of God by God is a foundational motive in the New Testament Even at the very beginning of salvation history shortly after creation God became the first missionary In Jesus God is the missionary par excellence and in the Holy Spirit God is the most successful missionary Mission is part of the nature of God and therefore mission can only be described holistically and in a manner that transforms human mission into the image of God s mission In three chapters three important themes regarding the Missio Dei are discussed 1 The recent history of the term in missiology 2 the biblical and systematic foundations 3 the debate between the Western and Eastern wings of Christianity over the filioque that is the question whether the Holy Spirit was sent by the Father alone or by the Father and by Jesus His Son

**Long Before Luther** Nathan Busenitz, 2017-10-03 Where was the gospel before the Reformation Contemporary evangelicals often struggle to answer that question As a result many Roman Catholics are quick to allege that the Reformation understanding of the gospel simply did not exist before the 1500s They assert that key Reformation doctrines like sola fide were nonexistent in the first fifteen centuries of church history Rather they were invented by Martin Luther John Calvin and others That is a serious charge and one that evangelicals must be ready to answer If an evangelical understanding of the gospel is only 500 years old we are in major trouble However if it can be demonstrated that Reformers were not inventing something new but instead were recovering something old then key tenets of the Protestant faith are greatly affirmed Hence the need for this book      Systematic Theology Robert Letham, 2019-11-19 This comprehensive systematic theology by respected theologian Robert Letham covers the whole field of Reformed Christian doctrine from biblical historical and theological angles Letham begins with God s ultimate selfrevelation as the Father the Son and the Holy Spirit in indivisible union continuing on with the works of God in creation providence and grace He draws deeply from Scripture and important voices from the church to provide a clear and concise articulation of the Reformed faith He also addresses current issues such as feminism charismatic gifts sexual ethics environmentalism other religions the nature of truth and civil liberties Each chapter is followed by discussion questions with a glossary of terms included at the end This work grounds theological understanding and practice in the life and ministry of the church accessible to pastors students scholars and anyone who desires to understand believe and live scriptural doctrine more fully      Religion in Eastern Europe , 2008      Eastern Orthodox Christianity Daniel B. Clendenin, 2003-10 A clear introduction to Eastern Orthodoxy and key aspects of the tradition Includes new content and an updated bibliography      **Perspectives on Science and Christian Faith** , 2007      **The Blue Book of Missions for 1907** Henry Otis Dwight, 1907      **Orthodoxy and Catholicity** John Meyendorff, 1966      **Herald and Presbyter** , 1900      **East European Accessions List** , 1957      *The Independent* , 1882      The Index , 1872      **Missiology** , 1981 An international review      East European Accessions Index , 1957
