Thrown Away Omnibus 1 (Parts 1-4) Glynn James, 2015-08-03 Omnibus 1 Parts 1 4 in the post apocalyptic saga This isn't a Young Adult Dystopian tale It's not romance It's not cuddly No one knows how the world died They only know that it happened centuries ago Among the remnants of mankind the people that live and die scavenging in the ruins it is thought that the strangers who live behind the barrier inside their protected city may still hold that secret But no one taken by the hunters from the city ever comes back For Jack Avery living among the ruins of the outer zone and scavenging to survive is not the worst of nightmares Something haunts him far more than any hunter patrol In one short moment two years before something happened that changed him This story is about his journey through the apocalypse but also through his own regrets and doubts Are there second chances Can Jack find the answer to his torment among the shattered ruins of the past
