BARBARA LEVICK

Tiberius Politician Roman Imperial Biographies

John Charles Tarver

Tiberius Politician Roman Imperial Biographies:

Tiberius the Politician Barbara Levick, 2003-07-13 Tiberius has always been one of the most enigmatic of the Roman emperors. At the same time his career is uniquely important for the understanding of the Empire's development on the foundations laid by Augustus. Barbara Levick offers a comprehensive and engaging portrait of the life and times of Tiberius including an exploration of his ancestry and his education, an analysis of his provincial and foreign policy and an examination of his debauched final years and his posthumous reputation. This new edition of *Tiberius the Politician* contains a new preface and a revised bibliography.

Claudius Barbara Levick, 2015-05-08 Claudius became emperor after the assassination of Caligula and was deified by his successor Nero in AD 54. Opinions of him have varied greatly over succeeding centuries but he has mostly been caricatured as a reluctant emperor hampered by a speech impediment who preferred reading to ruling. Barbara Levick's authoritative study reassesses the reign of Claudius, examining his political objectives and activities within the constitutional, political, social and economic development of Rome. Out of Levick's critical scrutiny of the literary, archaeological and epigraphic sources emerges a different Claudius: an intelligent politician ruthlessly determined to secure his position as ruler. Now updated to take account of recent scholarship, *Claudius* remains essential reading for students and historians of the early Roman Empire.

Ancient Roman Villas Guy P. R. Métraux, 2025-04-01 This authoritative compendium of newly translated primary sources reveals ancient Roman attitudes on every aspect of villas: from selection of place and construction activities to day-to-day management and lived experiences. While the term villa is generic today, its meaning extended across the entirety of ancient Roman life: villas supplied food, oil and wine to towns and cities and produced raw materials for craft industries and building construction. Villas were also venues for pleasure, relaxation and the cultivation of friendships and the mind. Many were known for their spectacular sites, architecture, decoration and furnishings. They came to be ubiquitous throughout ancient Rome's European and Mediterranean rural hegemony. This volume compiles a wealth of newly translated Latin and ancient Greek sources: treatises, letters, poems, histories, biographies and other works of literary art to vividly convey the architectural, economic, social, political and cultural significance of ancient Roman villas from their Greek antecedents through the early Christian period. Thematic chapters reveal ancient Roman attitudes on villa architecture, agricultural operations and the practices of buying, building and decorating villas as well as entertaining and pursuing leisure there. References to family, gender relations and the lives of enslaved persons aim to situate, if only indirectly, a broad range of experiences within villas. Supplemented by generous commentaries, copious annotation, a comprehensive bibliography and a glossary, this definitive sourcebook equips scholars and students alike for further research and makes for fascinating reading.

Eusebius and Empire James Corke-Webster, 2019-01-10 Presents a radical new reading of how Christian history was rewritten in the fourth century to suit its circumstances under Rome.

Julius Caesar Richard A. Billows, 2008-11-28 Julius Caesar offers a lively, engaging and thoroughly up-to-date account of Caesar's life and times. Richard Billows' dynamic and fast

paced narrative offers an imaginative recounting of actions and events providing the ideal introduction to Julius Caesar for general readers and students of classics and ancient history The book is not just a biography of Caesar but an historical account and explanation of the decline and fall of the Roman Republican governing system in which Caesar played a crucial part To understand Caesar's life and role it is necessary to grasp the political social and economic problems Rome was grappling with and the deep divisions within Roman society that came from them Caesar has been seen variously as a mere opportunist a power hungry autocrat an arrogant aristocrat disdaining rivals a traditional Roman noble politician who stumbled into civil war and autocracy thanks to being misunderstood by his rivals and even as the ideal man and pattern of all virtues Richard A Billows argues that such portrayals fail to consider the universal testimony of our ancient sources that Roman political life was divided in Caesar's time into two great political tendencies called *optimates* and *populares* in the sources of which Caesar came to be the leader of one the popularis faction Billows suggests that it is only when we see Caesar as the leader of a great political and social movement that had been struggling with its rival movement for decades and had been several times violently repressed in the course of that struggle that we can understand how and why Caesar came to fight and win a civil war and bring the traditional governing system of Rome to an end

Hebrews, the General Letters, and Revelation Charles B. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of reevaluation Since the 1980s a host of diverse studies have emerged and I have endeavored to include them when they are relevant to the discussion

The Reign of Tiberius, Out of the First Six Annals of Tacitus; With His Account of Germany, and Life of Agricola Cornelius Tacitus, 2023-11-29 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision

Vespasian Barbara Levick, 2017 Index of persons Index of peoples and places Index of subjects and terms **Vespasian** Barbara Levick, 2016-10-04 From a pre eminent biographer in the field this volume examines the life and times of the emperor Vespasian and challenges the validity of his perennial good reputation and universally acknowledged achievements

Levick examines how this plebeian and uncharismatic Emperor restored peace and confidence to Rome and ensured a smooth succession how he coped with the military political and economic problems of his reign and his evaluation of the solutions to these problems before she finally examines his posthumous reputation Now updated to take account of the past 15 years of scholarship and with a new chapter on literature under the Flavians Vespasian is a fascinating study for students of Roman history and the general classical enthusiast alike *Constantine and the Christian Empire* Charles Odahl, 2010-07-02 Drawing on over a quarter of a century of the author's research and experience this book focuses on the man and his life for scholars students and those interested in Roman imperial early Christian and Byzantine imperial history It is illustrated with ninety two photographs and eight maps **The Reign of Tiberius** Cornelius Tacitus, Thomas Gordon, 2016-05-19 The Reign of Tiberius Out of the First Six Annals of Tacitus With His Account of Germany and Life of Agricola is a classic Roman history text Tiberius Tiberius Caesar Divi Augusti filius Augustus 16 November 42 BC 16 March 37 AD was Roman emperor from 14 AD to 37 AD succeeding the first emperor Augustus Born to Tiberius Claudius Nero and Livia Drusilla in a Claudian family he was given the personal name Tiberius Claudius Nero His mother divorced Nero and married Octavian later to ascend the Empire as Augustus who officially became his stepfather Tiberius would later marry Augustus daughter from his marriage to Scribonia Julia the Elder and even later be adopted by Augustus Through the adoption he officially became a Julian assuming the name Tiberius Julius Caesar The subsequent emperors after Tiberius would continue this blended dynasty of both families for the following thirty years historians have named it the Julio Claudian dynasty In relations to the other emperors of this dynasty Tiberius was the stepson of Augustus grand uncle of Caligula paternal uncle of Claudius and great grand uncle of Nero His 22 and a half year reign would be the longest after Augustus's until Antoninus Pius who surpassed his reign by a few months in 161 Tiberius was one of the greatest Roman generals his conquest of Pannonia Dalmatia Raetia and temporarily parts of Germania laid the foundations for the northern frontier Even so he came to be remembered as a dark reclusive and sombre ruler who never really desired to be emperor Pliny the Elder called him the gloomiest of men After the death of his son Drusus Julius Caesar in 23 AD Tiberius became more reclusive and aloof In 26 AD he removed himself from Rome and left administration largely in the hands of his unscrupulous Praetorian prefects Lucius Aelius Sejanus and Quintus Naevius Sutorius Macro When Tiberius died he was succeeded by his grand nephew and adopted grandson Caligula Tiberius was born in Rome on 16 November 42 BC to Tiberius Claudius Nero and Livia In 39 BC his mother divorced his biological father and remarried Gaius Julius Caesar Octavianus shortly thereafter while still pregnant with Tiberius Nero's son In 38 BC his brother Nero Claudius Drusus was born Little is recorded of Tiberius's early life In 32 BC Tiberius at the age of nine delivered the eulogy for his biological father at the rostra 8 In 29 BC he rode in the triumphal chariot along with his adoptive father Octavian in celebration of the defeat of Antony and Cleopatra at Actium In 23 BC Emperor Augustus became gravely ill and his possible death threatened to plunge the Roman world into

chaos again Historians generally agree that it is during this time that the question of Augustus heir became most acute and while Augustus had seemed to indicate that Agrippa and Marcellus would carry on his position in the event of his death the ambiguity of succession became Augustus chief problem In response a series of potential heirs seem to have been selected among them Tiberius and his brother Drusus In 24 BC at the age of seventeen Tiberius entered politics under Augustus direction receiving the position of quaestor and was granted the right to stand for election as praetor and consul five years in advance of the age required by law Similar provisions were made for Drusus

Caligula Anthony A. Barrett, 2015-03-05 The Roman Empire has always exercised a considerable fascination Among its numerous colourful personalities no emperor with the possible exception of Nero has attracted more popular attention than Caligula who has a reputation whether deserved or not as the quintessential mad and dangerous ruler The first edition of this book established itself as the standard study of Caligula It remains the only full length and detailed scholarly analysis in English of this emperor s reign and has been translated into a number of languages But the study of Classical antiquity is not a static phenomenon and scholars are engaged in a persistent quest to upgrade our knowledge and thinking about the ancient past In the thirty years since publication of the original *Caligula* there have been considerable scholarly advances in what we know about this emperor specifically and also about the general period in which he functioned while newly discovered inscriptions and major archaeological projects have necessitated a rethinking of many of our earlier conclusions about early imperial history This new edition constitutes a major revision and in places a major rewriting of the original text Maintaining the reader friendly structure and organisation of its predecessor it embodies the latest discoveries and the latest thinking seeking to make more lucid and comprehensible those aspects of the reign that are particularly daunting to the non specialist Like the original this revised *Caligula* is intended to satisfy the requirements of the scholarly community while appealing to a broad and general readership

Augustus to Nero (Routledge Revivals) David Braund, 2014-06-27 The years from the battle of Actium to the death of Nero stand at the very heart of Roman history Yet the sources of this key period particularly the inscriptions papyri and coins are not readily accessible Crucial new discoveries remain buried in learned periodicals and now that the study of the ancient world is widespread among those without Latin and Greek the lack of translations is proving a serious handicap

Augustus to Nero first published in 1985 contains numerous texts not only for students of traditional political history but also of those interested in social and economic history An introductory essay establishes a broad methodological framework within which each text may be understood The focus throughout is on less well known literary evidence for example the significant poetry of Crinagoras and Calpurnius Siculus Inaccessible sources are here collected and translated brief notes are supplied to help the reader

The Oxford encyclopedia of ancient Greece and Rome. - Vol. 1 - 7 Michael Gagarin, 2010

Roman Literary Culture Elaine Fantham, 2013-07-18 This new edition broadens the scope of Fantham s study of literary production and its reception in Rome Scholars of ancient literature have often focused on the works and

lives of major authors rather than on such questions as how these works were produced and who read them In Roman Literary Culture Elaine Fantham fills that void by examining the changing social and historical context of literary production in ancient Rome and its empire Fantham's first edition discussed the habits of Roman readers and developments in their means of access to literature from booksellers and copyists to pirated publications and libraries She examines the issues of patronage and the utility of literature and shows how the constraints of the physical object itself the ancient book influenced the practice of both reading and writing She also explores the ways in which ancient criticism and critical attitudes reflected cultural assumptions of the time In this second edition Fantham expands the scope of her study In the new first chapter she examines the beginning of Roman literature more than a century before the critical studies of Cicero and Varro She discusses broader entertainment culture which consisted of live performances of comedy and tragedy as well as oral presentations of the epic A new final chapter looks at Pagan and Christian literature from the third to fifth centuries showing how this period in Roman literature reflected its foundations in the literary culture of the late republic and Augustan age This edition also includes a new preface and an updated bibliography

Ancient Rome William E. Dunstan, 2010-11-16 Ancient Rome masterfully synthesizes the vast period from the second millennium BCE to the sixth century CE carrying readers through the succession of fateful steps and agonizing crises that marked Roman evolution from an early village settlement to the capital of an extraordinary realm extending from northern Britain to the deserts of Arabia A host of world famous figures come to life in these pages including Alexander the Great Hannibal Julius Caesar Cleopatra Augustus Livia Cicero Nero Hadrian Diocletian Constantine Justinian and Theodora Filled with chilling narratives of violence lust and political expediency this book not only describes empire shaping political and military events but also treats social and cultural developments as integral to Roman history William E Dunstan highlights such key topics as the physical environment women law the roles of slaves and freedmen the plight of unprivileged free people the composition and power of the ruling class education popular entertainment food and clothing marriage and divorce sex death and burial finance and trade scientific and medical achievements religious institutions and practices and artistic and literary masterpieces All readers interested in the classical world will find this a fascinating and compelling history

Roman Italy Timothy W. Potter, 1987 A survey of Italy during the time of ancient Rome that brings together evidence from literary sources inscriptions and findings from archaeological excavations

Tiberius the Tyrant John Charles Tarver, 2023-11-21 In *Tiberius the Tyrant* John Charles Tarver delves into the complex character of one of Rome's most enigmatic emperors Using a blend of historical narrative and analytical prose Tarver paints a vivid portrait of Tiberius situating him within the political machinations and cultural context of ancient Rome This work not only chronicles Tiberius's reign marked by paranoia and cruelty but also interrogates the historiographical interpretations surrounding his legacy demonstrating Tarver's commitment to scholarly rigor and stylistic elegance The narrative rich in detail and grounded in extensive research invites readers to navigate the tumultuous landscape of a ruler

whose actions continue to echo through history Tarver with a profound interest in classical studies and Roman history brings a unique perspective shaped by his academic background and passion for unearthing the nuances of historical figures His meticulous research and ability to weave compelling storytelling stem from years of immersion in the subject matter offering insights that reflect not only on Tiberius as an individual but also on the broader implications of tyrannical rule This scholarly approach underscores Tarver s understanding of the importance of historical context in shaping narratives Tiberius the Tyrant is highly recommended for scholars historians and enthusiasts of Roman history alike Readers will find themselves captivated by Tarver s insightful analysis and narrative flair as they encounter the life of a ruler who embodies the complexities of power and governance This book is an essential addition to anyone s understanding of ancient Rome and its enduring legacy

Political Autobiographies and Memoirs in Antiquity Gabriele Marasco, 2015-11-24 Ancient autobiography has been the object of several studies and meetings However these have focused chiefly on the philosophical and literary aspects This book aims to examine the development of political autobiography and memoirs in the Greek and Roman world stressing instead the relation of a single work with the traditions of the genre and also the influence of the respective aims of the authors on the composition of autobiographies At times these works were written as a means of propaganda in a political struggle or to defend a past action and often to furnish material to historians Nonetheless they still preserve the personal viewpoint and voice of the protagonists in all their vividness even if distorted by the aim of defending their record *Political Autobiographies and Memoirs in Antiquity* will be a highly valuable and useful reference tool for both scholars and students of Greek and Roman history and literature

Augustus and the Family at the Birth of the Roman Empire Beth Severy, 2004-02-24 In this lively and detailed study Beth Severy examines the relationship between the emergence of the Roman Empire and the status and role of this family in Roman society The family is placed within the social and historical context of the transition from republic to empire from Augustus rise to sole power into the early reign of his successor Tiberius *Augustus and the Family at the Birth of the Roman Empire* is an outstanding example of how if we examine private issues such as those of family and gender we gain a greater understanding of public concerns such as politics religion and history Discussing evidence from sculpture to cults and from monuments to military history the book pursues the changing lines between public and private family and state that gave shape to the Roman imperial system

The Top Books of the Year Tiberius Politician Roman Imperial Biographies The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Tiberius Politician Roman Imperial Biographies : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Tiberius Politician Roman Imperial Biographies Introduction

In today's digital age, the availability of Tiberius Politician Roman Imperial Biographies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Tiberius Politician Roman Imperial Biographies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Tiberius Politician Roman Imperial Biographies books and manuals for download is the cost-saving aspect. Traditional books and

manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Tiberius Politician Roman Imperial Biographies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Tiberius Politician Roman Imperial Biographies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Tiberius Politician Roman Imperial Biographies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tiberius Politician Roman Imperial Biographies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Tiberius Politician Roman Imperial Biographies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Tiberius Politician Roman Imperial Biographies books and manuals for download and embark on your journey of

knowledge?

FAQs About Tiberius Politician Roman Imperial Biographies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.
