Class Society Earl Wysong,Robert Perrucci,David Wright,2013-07-11 The New Class Society introduces students to the sociology of class structure and inequalities as it asks whether or not the American dream has faded The fourth edition of this powerful book demonstrates how and why class inequalities in the United States have been widened hardened and become more entrenched than ever The fourth edition has been extensively revised and reorganized throughout including a new introduction that offers an overview of key themes and shorter chapters that cover a wider range of topics New material for the fourth edition includes a discussion of The Great Recession and its ongoing impact the demise of the middle class rising costs of college and increasing student debt the role of electronic media in shaping people s perceptions of class and more

The Debt Trap Sebastien Canderle,2016-09-19 This is the inside story of private equity dealmaking Over the last 40 years LBO fund managers have demonstrated that they are good at making money for themselves and their investors But when one looks beneath the surface of the transactions they engineer it is apparent that these deals can at times go spectacularly wrong Through 14 business stories all emanating from the noughties credit bubble and including headline grabbing names like Caesars Debenhams EMI Hertz Seat Pagine Gialle and TXU The Debt Trap shows how via controversial practices like

quick flips repeat dividend recaps heavy cost cutting and asset stripping leveraged buyouts changed for better or for worse the way private companies are financed and managed today From technological disruption in the worlds of music recording and business directory publishing to economic turbulence in the gambling real estate and energy sectors highly levered corporations are often incapable of handling market corrections when debt commitments start piling up Behind the historical events and the financial empires erected by some of the elite private equity specialists these 14 in depth case studies examine how value maximising techniques and a short cut mentality can impact investment returns and portfolio assets Whether you are a PE practitioner investor business manager academic or business student you will find *The Debt Trap* to be an authoritative and fascinating account
