There's only one person at my back and I'm not sure I can trust her either for she was born of an enemy race. Yet sometimes the road to redemption is one that sings us to our very core. And if I fail to find the answers I need to save Phoebe more than just my wife will die. We will lose the world. Both human and Daimon. New York Times bestselling author Sherrilyn Kenyon returns with *Shadow Fallen*, a brand new entry in her Dream Hunter series. For centuries, Ariel has fought the forces of evil. Her task was to protect the souls of innocent mortals when they die. Captured by a powerful sorceress, she is transformed into a human who has no memory of her real life or calling. And is plunked into the middle of the Norman invasion of England. Cursed the moment he was born with a demonic deformity, Valteri wants nothing of this earth except to depart it and will do his duty to his king until then. When a strange noblewoman is brought before him, Valteri realizes he has met her before in his dreams. When others come for her bringing with them preternatural predators, he is faced with a destiny he had no idea was waiting. One he wants no part of. The truth is that Valteri isn't just a knight of William the Conqueror. He is the son of one of the deadliest powers in existence and if he doesn't restore Ariel to her place, she is not the only one who will be in peril. The world itself hangs in the balance and he is the necessary key to hold back the powers of evil. But only if he can find a way to work with the woman who stands for everything in the universe he hates. Now Nick's saga continues in the next eagerly anticipated volume. Go to school. Get good grades. Stay out of trouble. That's the mandate for most kids. But Nick

Gautier isn't the average teenager. He's a boy with a destiny not even he fully understands. And his first mandate is to stay alive while everyone even his own father tries to kill him. He's learned to annihilate zombies and raise the dead, divination and clairvoyance so why is learning to drive and keep a girlfriend so dang hard? But that isn't the primary skill he has to master. Survival is. And in order to survive his next lesson makes all the others pale in comparison. He is on the brink of becoming either the greatest hero mankind has ever known. Or he'll be the one who ends the world. With enemies new and old gathering forces he will have to call on every part of himself to fight or he'll lose everyone he cares about. Even himself.

Invincible Sherrilyn Kenyon, 2011-03-22 Nick Gautier's day just keeps getting better and better. Yeah he survived the zombie attacks only to wake up and find himself enslaved to a world of shapeshifters and demons out to claim his soul. Being a teenager is no picnic either. His new principal thinks he's even more of a hoodlum than the last one. His coach is trying to recruit him to things he can't even mention and the girl he's not seeing but is has secrets that terrify him. But more than that he's being groomed by the darkest of powers and if he doesn't learn how to raise the dead by the end of the week he will become one of them.
