Tinsel A Search For Americas Christmas Present:

Tinsel Hank Stuever, 2009-10-14 A heartfelt hilarious look at the evolution of a half trillion dollar American holiday Hank Stuever turns his unerring eye for the idiosyncrasies of modern life to Frisco Texas a suburb at once all American and completely itself to tell the story of the nation's most over the top celebration Christmas Stuever starts the narrative as so many start the Christmas season standing in line with the people waiting to purchase flat screen TVs on Black Friday From there he follows three of Frisco's true holiday believers as they navigate through the Nativity and all its attendant crises Tammie Parnell an eternally optimistic suburban mom is the proprietor of Two Elves with a Twist a company that decorates other people's big houses for Christmas Jeff and Bridgette Trykoski own that house every town has the one with the visible from space jaw dropping Christmas lights And single mother Carol Cavazos just hopes that the life affirming moments of Christmas might overcome the struggles of the rest of the year Stuever's portraits of the happy mega churchy shop until you drop community in Tinsel are revealing and riotously funny showing how our ancient rituals of celebration have survived and succumbed to the test of time
