Wendy Black Cat Detective Kidnappings:

Wendy and Black (the Cat Detective) Amma Lee,2015-12-15 Every century someone from Wendy s family was given the ability to be able to understand and speak to cats and Wendy was the one blessed in her century Wendy always wanted to be a detective and she was overjoyed when her cat Black had the same dream as her so they started to work together They ve solved many cases together but the disappearance of successful business women had left her in a slump because Black believed it was someone who Wendy loved The two of them investigate the mystery behind the disappearances and discovers something darker than any one of them could have ever imagined **Wendy and Black : the Cat Detective 4**

Amma Lee,2017-07-02 It s always good to take a little vacation because detective work could become overwhelming at times Unfortunately for Black the Michaels family decided to take a vacation to an Amusement Park Wendy Michaels is having the time of her life acting like a kid and not a detective for a whole week but when children go missing Black and Wendy must take on the case With the help of an unexpected source Black and Wendy learn that the children were taken into an abandoned mine where gold is supposedly housed Even though the two were supposed to be taking a break Wendy couldn t live with herself if she didn t save the kidnapped children **Wendy and Black (Cat Detective)** Amma Lee,2017-09-28

Wendy and Black are back in their third case and it looks like things are going to get a little more interesting for our detectives When several books were stolen from a museum Wendy is shocked to learn that the contents of the books and the thieves have information regarding Wendy s ancestry When Wendy s grandmother Edith comes into town and tells her that the books and women shrouded in black is connected with the Michael s family not only does Wendy want to catch the women she also wants to find out more about the black shrouded sisters Would the truth be too much for Wendy and Black or will they use this new found knowledge as an asset in the future *Wendy and Black (Cat Detective)* Amma Lee,2017-09-28

Wendy Michaels is a fifteen year old high school girl with the ability to speak with cats a power which women from Wendy s family acquire every one hundred years Wendy always enjoyed helping people which is why Wendy and her pet cat Black decided to become detectives When an alleged haunted and abandoned house down the street from Wendy and Black is bought by someone Wendy needs to investigate the house and the buyer Even though Black believes that the investigation is pointless he goes along with it But what Wendy and Black didn t know was that their investigation was about to take a paranormal turn Television Detective Shows of the 1970s David Martindale,1991 One more thing Columbo would say to the murderer during the course of his rumpled investigation and the killer would perhaps feel the noose tightening The show of the same name was one of the most popular detective series appearing on television in the 1970s a decade that offered a wider variety of such shows than any other time Series beginning in the 1960s or ending in the 1980s that had episodes broadcast in the 1970s are also included in full Four subgenres are studied cops private detectives lawyers and sleuths Each entry is arranged alphabetically and follows the same format cast and credits brief remarks about the style and an episode
