Only a Matter of Days: The World War II Prison Camp Diary of Fay Cook Bailey Caroline Bailey Pratt, 2001

Sam Richards's Civil War Diary Samuel P. Richards, 2009 This previously unpublished diary is the best surviving firsthand account of life in Civil War era Atlanta Bookseller Samuel Pearce Richards 1824 1910 kept a diary for sixty seven years This volume excerpts the diary from October 1860 just before the presidential election of Abraham Lincoln through August 1865 when the Richards family returned to Atlanta after being forced out by Sherman's troops and spending a period of exile in New York City The Richardses were among the last Confederate loyalists to leave Atlanta Sam's recollections of the Union bombardment the evacuation of the city the looting of his store and the influx of Yankee forces are riveting Sam was a Unionist until 1860 when his sentiments shifted in favor of the Confederacy However as he wrote in early 1862 he had no ambition to acquire military renown and glory Likewise Sam chafed at financial setbacks caused by the war and at Confederate policies that seemed to limit his freedom Such conflicted attitudes come through even as Sam writes about civic celebrations benefit concerts and the chaotic optimism of life in a strategically critical rebel stronghold He also reflects with soberness on hospitals filled with wounded soldiers the threat of epidemics inflation and food shortages A man of deep faith who liked to attend churches all over town Sam often comments on Atlanta's religious life and grounds his defense of slavery and secession in the Bible Sam owned and rented slaves and his diary is a window into race relations at a time when the end of slavery was no longer unthinkable Perhaps most important the diary conveys the tenor of Sam's family life Both Sam and his wife Sallie came from families divided politically and geographically by war They feared for their children's health and mourned for relatives wounded and killed in battle The figures in Sam Richards's Civil War Diary emerge as real people the intimate experience of the Civil War home front is conveyed with great power **A to Zoo** Rebecca L.

I Know How She Does It Laura Vanderkam, 2017-01-03 Everyone has an opinion anecdote or horror story about women and work Now the acclaimed author of *What the Most Successful People Do Before Breakfast* shows how real working women with families are actually making the most of their time Having it all has become the subject of countless books articles debates and social media commentary with passions running high in all directions Many now believe this to be gospel truth Any woman who wants to advance in a challenging career has to make huge sacrifices She s unlikely to have a happy marriage quality time with her kids assuming she can have kids at all a social life hobbies or even a decent night s sleep But what if balancing work and family is actually not as hard as it s made out to be What if all those tragic anecdotes ignore the women who quietly but consistently do just fine with the juggle Instead of relying on scattered stories time management expert Laura Vanderkam set out to add hard data to the debate She collected hour by hour time logs from 1 001 days in the lives of women who make at least 100 000 a year And she found some surprising patterns in how these women spend the 168 hours that every one of us has each week Overall these women worked less and slept more than they assumed they did before they started tracking their time They went jogging or to the gym played with their children scheduled date nights with their significant others and had lunches with friends They made time for the things that gave them pleasure and meaning fitting the pieces together like tiles in a mosaic without adhering to overly rigid schedules that would eliminate flexibility and spontaneity Vanderkam shares specific strategies that her subjects use to make time for the things that really matter to them For instance they Work split shifts such as seven hours at work four off then another two at night from home This allows them to see their kids without falling behind professionally Get creative about what counts as quality family time Breakfasts together and morning story time count as much as daily family dinners and they re often easier to manage Take it easy on the housework You can free up a lot of time by embracing the philosophy of good enough and getting help from other members of your household or a cleaning service Guard their leisure time Full weekend getaways may be rare but many satisfying hobbies can be done in small bursts of time An hour of crafting feels better than an hour of reality TV With examples from hundreds of real women Vanderkam proves that you don t have to give up on the things you really want **I Know How She Does It** will inspire you to build a life that works one hour at a time
