Leonard Bernstein: West Side Story Nigel Simeone, 2017-07-05 One of the Broadway musicals that can genuinely claim to have transformed the genre West Side Story has been featured in many books on Broadway but it has yet to be the focus of a scholarly monograph Nigel Simeone begins by exploring the long process of creating West Side Story including a discussion of Bernstein's sketches early drafts of the score and script as well as cut songs The core of the book is a commentary on the music itself West Side Story is one of the very few Broadway musicals for which there is a complete published orchestral score as well as two different editions of the piano vocal score The survival of the original copied orchestral score and the reminiscences of Sid Ramin and Irwin Kostal reveal details of the orchestration process and the extent to which Bernstein was involved in this Simeone's commentary considers musical characteristics and compositional techniques used to mirror the drama for example the various uses of the tritone motivic development the use and reinvention of Broadway and other conventions the creation of dramatic continuity in the score through the use of motifs and other devices the unusual degree of dissonance and rhythmic complexity at least for the time and the integration of Latin American dance forms Mambo Huapango and so on Simeone also considers the reception of West Side Story in the contemporary press The stir the show caused included the response that it was the angular edgy score that made it a remarkable achievement Not all reviews were uncritical Finally the book looks in detail at the making of the original Broadway cast recording made in just one day included on the accompanying CD **West Side Story Vocal Selections German Edition** Leonard Bernstein, Hal Leonard Publishing Corporation, 2010-04 Vocal Selections The German Language Edition celebrates the legacy of one of the most famous musicals of all time with newly engraved songs a show biography and plot notes facsimiles of Bernstein's original manuscripts and 16 pages of photos from various productions Arrangements include lyrics in both German and English melody line piano accompaniments and chord symbols *America (#Bernstein: West Side story)* Leonard Bernstein,

Into the Woods Edition Songbook, 2010-04-01 Vocal Selections Into the Woods blends various familiar fairy tales with an original story of a childless baker and his wife who catalyze the action of the story by attempting to reverse a curse on their family in order to have a child Newly edited with new music engravings added songs articles and photos Includes piano vocal arrangements of Agony Any Moment Children Will Listen Giants in the Sky I Know Things Now Into the Woods It Takes Two No More No One Is Alone On the Steps of the Palace Stay with Me Hamilton (Vocal Selections) Lin-Manuel Miranda, 2017-08-23 Hamilton presents vocal selections from the critically acclaimed musical about Alexander Hamilton The show debuted on Broadway in August 2015 to unprecedented advanced box office sales and has already become one of the most successful Broadway musicals ever This collection features 17 songs in piano vocal format from the music penned by Lin Manuel Miranda This is the eBook version of the original artist approved edition **Music Classification Systems** Mark McKnight, 2002-04-16 Due to the distinctive nature of music as a separate language that non musicians are often unable to read or understand the cataloging and classification of music materials frequently present special challenges In response to this often problematic situation this volume is designed to introduce the principles of music classification to beginning music catalogers as well as to non specialist catalogers and those who only occasionally deal with music materials It will surely relieve the stress level for general catalogers by providing practical guidelines as well as clarifying and explaining the most commonly used classification systems in the United States the Dewey Decimal Classification DDC the Library of Congress Classification LCC and the Alpha Numeric System for Classification of Recordings ANSCR Also included is a general historical overview of music classification from early attempts to organize specific collections to the efforts of Oscar Sonneck and others to adapt fundamental principles of classification to the distinctive characteristics of music materials as well as a discussion of the special needs of the users of those materials *Sondheim on Music* Mark Eden Horowitz, 2010-09-20 Stephen Sondheim is widely regarded as the most important composer and lyricist of musical theater in the second half of the 20th century Celebrating his 80th birthday this new edition of Sondheim on Music finds him in these guided interviews expounding in great depth and detail on his craft As a natural teacher thoughtful and opinionated Sondheim discusses the art of musical composition lyric writing the collaborative process of musical theater and how he thinks about his own work Where the first edition focused particularly on six shows Passion Assassins Into the Woods Sunday in the Park with George Sweeney Todd and Pacific Overtures this second edition presents a new chapter that discusses Sondheim s entire career Several shows that were not discussed previously are explored here including A Funny Thing Happened on the Way to the Forum Merrily We Roll Along Company Follies Anyone Can Whistle and A Little Night Music as well as thoughts about the recent film adaptation of Sweeney Todd The book also features an entire chapter on Bounce the previous incarnation of his latest musical Road Show In addition to Sondheim s list of Songs I Wish I d Written the songlisting and discography has been greatly expanded and updated to include all works composed and recorded over the last six years

West Side Story Leonard Bernstein, 1959 A love affair is fated for tragedy amidst the vicious rivalry of two street gangs the Jets and the Sharks When Jets member Tony falls for Maria the sister of the Sharks leader it s more than these two warring gangs can handle **Selections from West Side Story** Leonard Bernstein, Carol Klose, 2007 Piano Duet Selections Eight piano duets from the beloved musical America Cool I Feel Pretty Maria One Hand One Heart Something s Coming Somewhere Tonight Sondheim's Broadway Musicals Stephen Banfield, 1993 The first in depth look at the work and career of one of the most important figures in the history of musical theater Sweeney Todd Edition (Songbook) , 2010-04-01 Vocal Selections Newly revised with new music engravings added songs articles and photos Includes The Ballad of Sweeney Todd By the Sea Green Finch and Linnet Bird Johanna Ladies in Their Sensitivities A Little Priest Not While I m Around Pretty Women Wait The Worst Pies in London **Music Theory Through Musical Theatre** John Charles Franceschina, 2015 Music Theory through Musical Theatre takes a new and powerful approach to music theory Written specifically for students in music theatre programs it offers music theory by way of musical theatre Not a traditional music theory text Music Theory through Musical Theatre tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on what students will need to master in preparation for a professional career as a performer Veteran music theatre musician John Franceschina brings his years of experience to bear in a book that offers musical theatre educators an important tool in equipping students with what is perhaps the most important element of being a performer the ability to understand the language of music in the larger dramatic context to which it contributes The book uses examples exclusively from music theater repertoire drawing from well known and more obscure shows and songs Musical sight reading is consistently at the forefront of the lessons teaching students to internalize notated music quickly and accurately a particularly necessary skill in a world where songs can be added between performances Franceschina consistently links the concepts of music theory and vocal coaching showing students how identifying the musical structure of and gestures within a piece leads to better use of their time with vocal coaches and ultimately enables better dramatic choices Combining formal theory with practical exercises Music Theory through Musical Theatre will be a lifelong resource for students in musical theatre courses dog eared and shelved beside other professional resource volumes Librarian's Guide to Online Searching Christopher C. Brown, 2021-06-18 Updates the premier textbook for students and librarians needing to know the landscape of current databases and how to search them Librarians need to know of existing databases and they must be able to teach search capabilities and strategies to library users This practical guide introduces librarians to a broad spectrum of fee based and freely available databases and explains how to teach them The updated 6th edition of this well regarded text covers new databases on the market as well as updates to older databases It also explains underlying information structures and demonstrates how to search most effectively It introduces readers to several recent changes such as the move away from metadata based indexing to full text indexing by vendors covering newspaper content Business
