What Bible Says About Homosexuality:

What the Bible Says—and Doesn't Say—About Homosexuality John Teller, 2016-03-07 Have you ever wondered what the Bible has to say about homosexuality A growing number of Christians have come to believe that the Bible does not prohibit or condemn homosexual acts This book is intended to refute this fundamentally flawed view and to respond to one of its principal propagators the Rev Dr Mel White The Rev Mel White's *What the Bible Says and Doesn't Say About Homosexuality* is a treatise that argues that the Bible when correctly understood neither condemns nor prohibits homosexual relationships between loving committed same sex partners The apparent prohibitions of sodomy and other homosexual acts in the Old Testament are intended not as injunctions from God but as reflections of societal tastes and preferences Even if such prohibitions were based on Old Testament biblical laws Dr White argues such laws have no application or bearing on contemporary Christians who fall under the law of grace Dr White's treatise employs subtle twists of logic and misunderstandings of fundamental biblical principles in support of its conclusions His treatise is especially dangerous to readers having shallow biblical knowledge and who may not fully understand the extent and clarity of the Bible's prohibition on homosexual conduct At last there is now an answer to Dr White's treatise In this volume John Teller sets forth a systematic reply to each of Dr White's defenses of homosexuality John Teller thoroughly replies to refutes and rebuts each of Dr White's arguments on a detailed point by point basis The present volume is indispensable to the Christian studying human sexuality in light of biblical principles

What does the Bible Really Teach About Homosexuality? Denmark Hill, 2015-04-17 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality Feeling the pressure to forsake long held beliefs about sex and marriage some argue that Christians have historically misunderstood the Bible's teaching on this issue But does this approach do justice to what the Bible really teaches about homosexuality In this timely book award winning author Kevin DeYoung challenges each of us the skeptic the seeker the certain and the confused to take a humble look at God's Word Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality DeYoung responds to popular objections raised by Christians and non Christians alike offering readers an indispensable resource for thinking through one of the most pressing issues of our day

What Does the Bible Really Teach about Homosexuality? alike offering readers an indispensable resource for thinking through one of the most pressing issues of our day **What the Bible Says About...** Scott Dalton Myers, 2024-02-12 The Bible God's inspired unerring and infallible Word is truly His instruction manual for life and a moral compass for us all to live by It tells us what is good what is bad what is right and what is wrong Unfortunately many people believe that the Bible is no longer relevant today and was only applicable in biblical times The Bible itself tells us quite the opposite The issues and problems we face today are essentially the same as those faced by man in biblical times Human nature has not changed and God has not changed Only the times have changed The Bible has plenty to say about the issues people encounter every day from the beginning of life to the end of life I have addressed many of these in this book The Evidence of God's Existence Who Was and Is Jesus Being Saved Forgiveness Trials and Tribulations What Happens When You Die Families and Fathers Humility Worrying Depression The Environment and Nature Racism Abortion Homosexuality Adultery Transgenderism Alcohol Drugs and Addiction The Death Penalty The Right to Bear Arms Government Leadership Man's Laws and God's Laws Suicide Money and the Rich Natural Disasters Satan Demons and the Supernatural Creation the Biblical Timeline and the Age of the Universe and others People today are pretty much the same as people were in biblical times Basic human nature and the human condition being born into sin have not changed We face the same challenges the same temptations and the same trials and tribulations as the early Christians did The Bible contains advice and guidance on every possible issue or situation we face if we only look to it for that guidance and direction and pray to God for wisdom and discernment In hope of eternal life which God that cannot lie promised before the world began Titus 1:2 That by two immutable things in which it was impossible for God to lie we might have a strong consolation who have fled for refuge to lay hold upon the hope set before us Hebrews 6:18 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Timothy 3:16 The grass withereth the flower fadeth but the word of our God shall stand for ever Isaiah 40:8 Jesus Christ the same yesterday and today and forever Hebrews 13:8-9 For I am the Lord I change not Malachi 3:6 Finally you we should read the Bible like a love letter not a textbook John 3:16 tells us For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life **Jesus, the Bible, and Homosexuality** Jack Bartlett

Rogers, 2006-01-01 In this sure to be controversial book former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual Christianity he observes has moved through history in the direction of ever greater openness and inclusiveness Today's church is led by many of those who were once cast out people of color women and divorced and remarried people It is inevitable he believes that gay lesbian bisexual and transgender people will one day walk in the same steps as other Christian leaders Rogers an evangelical begins by discussing his own personal change of heart and mind on the issue a change that has moved him into the middle of this controversy in his own church the Presbyterian Church U S A He examines

how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians Rogers concludes with his thoughts on how the church can heal itself and move forward *The Bible Says So!* Edwin D. Freed, Jane F. Roberts, 2014-12-05 Is it possible to apply teachings from the Bible to our world today given the vast differences between biblical times and ours Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action The Bible Says So examines the origins of well known biblical stories from Adam and Eve the Flood and the Tower of Babel to the birth of Jesus his resurrection and the writings of St Paul The book argues that the meaning of these stories becomes apparent when we read between the lines using the techniques of biblical scholars The Bible Says So explores the original intentions of the biblical writers in their particular context and examines key biblical values The book does justice to the origins of the biblical text whilst also affirming the relevance of the Bible today

The Bible and Homosexuality for Progressive Christians Donald Schmidt, 2022-09-20 Did you know that there are no passages in the Bible that talk about homosexuality as a sexual orientation and that there are arguably only six or seven passages in the entire Bible that even touch on homosexual behaviour Did you know that some of the passages from the Hebrew scriptures we have assumed were about homosexuality were actually meant to chastise the community for their lack of hospitality How ironic that these same passages have been used by the church to express incredible inhospitality to the LGBTQ community This study looks at all these passages in depth but it also invites readers to look at the Bible as a whole and wonder about its overall message When we do that we see that compassion and inclusion are key for Jesus and for early disciples such as Philip as they should be for us **The Bible Says . . .** Larry R. Kalajainen, 2013-02-26 How can people taking diametrically opposing positions on contemporary issues dividing both religious communities and society quote the Bible in support of their views What does it mean to make a claim that the Bible says or teaches something Why appeal to the Bible at all Whose interpretation is the right one If you've felt confused about the Bible's role or authority in such controversies this book may help The author draws upon his more than forty years of pastoral ministry and seminary teaching experience as he examines the Bible what it is and isn't how it came to be a sacred text for Jews and Christians what kind of authority it has and how that authority is used or misused He does not attempt to take a position on the controversial issues themselves but argues for understanding the Bible as a community product arising out of the historical life of communities of faith that then exerts a shaping or normative power in those communities through time and asks how the Bible and the Word of God may be related in constructive ways Jesus, the Bible, and Homosexuality, Revised and Expanded Edition Jack Rogers, 2009-04-14 In this revised and expanded best seller Rogers argues for equal rights in both the church and society for lesbians gays bisexuals and transgendered people He describes how he moved away from opposition

to support charts the church's history of using biblical passages to oppress marginalized groups argues for a Christ centered reading of Scripture debunks stereotypes about gays and lesbians and explores texts used most frequently against homosexuals and gay ordination In this newly revised edition he maps the recent progress of major U S denominations toward full equality for LGBT persons adds a new chapter that examines how Scripture is best interpreted by Jesus redemptive life and ministry and updates his own efforts and experiences The book also includes a guide for group study or personal reflection

What the Bible Says About Sex Jeremiah Cataldo, 2022-08-12 When it comes to sex the Bible is marred by inequality To address the consequences of that What the Bible Says About Sex asserts that modern perspectives on sexuality and gender should be separated from the more constraining historical views of traditional biblical interpretation What does the Bible say about sexuality How have traditions of biblical interpretation influenced our understanding of sex and gender What the Bible Says About Sex answers that and many other questions Not shy it analyzes why the Church claimed dominion over marriage while the female body remained a source of potential evil It wrestles with how sexuality is used not only in the past but also in the present to reinforce notions of honor and how it can be used to manipulate others Deftly it handles a discussion of semen as both profane and the seed of life It looks brazenly at the pornographic and the erotic passages of the Bible and how traditions of interpretation veiled them With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender having a greater awareness of what the Bible says about sex and how it is and has been interpreted is critical now more than ever What the Bible Says About Sex is suitable for students scholars and the general reader with an interest in sexuality and the Bible and sex and desire in both ancient and modern Christianity

God and the Gay Christian Matthew Vines, 2014-04-22 The landmark book exploring what the Bible actually says and doesn't say about same sex relationships Revised and expanded ebook coming May 6 This book is a game changer Every page is brought to life by the author's clear love for Scripture and deep persistent faith Matthew Vines emerges as one of my generation's most important Christian leaders Rachel Held Evans As a young Christian man Matthew Vines harbored the same basic hopes of many young people to one day share his life with someone to build a family of his own to give and receive love But when Vines realized he was gay those hopes were called into question The Bible he'd been taught condemned gay relationships Feeling the tension between his understanding of the Bible and the reality of his same sex orientation Vines devoted years to intensive research into what the Bible says about homosexuality He asked questions such as What was the real sin of Sodom What did Paul have in mind when he wrote about same sex relations Is mandatory celibacy biblical Can same sex marriage fulfill Scripture's vision for marriage Accessibly written and carefully argued God and the Gay Christian shows readers how affirming same sex relationships can go hand in hand with maintaining moral boundaries and upholding an orthodox Christian faith

The Bible Says So Dan McClellan, 2025-04-29 Bible scholar and popular TikToker Dan McClellan confronts misconceptions about the Bible The Bible is the world's most influential book but

do we really know what it says Every day across social media and in homes businesses and public spaces people try to cut debate short by claiming that the Bible says so However they commonly disagree about what it actually does and doesn't say particularly when it comes to socially significant issues For instance does the Bible say we should be on the lookout for an antichrist associated with the number 666 Does it say women shouldn't wear revealing clothing Does it say it's okay to hit your kids In The Bible Say So Dan McClellan leverages his popular data over dogma approach and his years of experience in the academy and on social media to lay out in clear and accessible ways what the data indicate the Bible does and doesn't say about issues ranging from homosexuality abortion and slavery to monotheism inspiration and even God's wife Smart accessible and informative The Bible Says So is an invaluable resource for our fractious times **Scripture and Homosexuality** Marion L. Soards,1995-01-01 Focused and accessible this book is an ideal starting point for the discussion of how the church should respond to and deal with issues of homosexuality **What Does the Bible Say About...?** Ron Rhodes,2007-08-01 Popular author and Bible teacher Ron Rhodes offers straightforward easy to understand responses to frequently asked questions about God faith and living for Christ He addresses more than 300 issues as diverse as Do guardian angels exist What will heaven and hell be like Did Jesus physically come back to life Is meditation okay for Christians Does a person have to be baptized to be saved Readers will also find information about apparent Bible contradictions and difficult verses supposed conflicts between science and the Bible and the effects of atheism agnosticism and humanism on society With solid biblical insights and accurate research this indispensable reference will help readers explore God's incredible plan the life of Christ the teaching of the Bible church doctrines and more Perfect for personal study small groups and every Christian's reference library **The Bible Says: History of Abuses Committed in the Name of the Biblical Text** Foster Stockwell,2007-06-18 Many people use the Bible the way a drunk might use a lamppost that is for support of their own prejudicial misconceptions rather than for any kind of enlightenment This book details such misuses and points to a holistic method for understanding what the Bible really says What Does the Bible Say? Mary Ann Beavis,HyeRan Kim-Cragg,2017-04-25 This book is a collaboration between a biblical scholar Mary Ann Beavis and a practical theologian HyeRan Kim Cragg who are concerned with the way that the Bible is portrayed and interpreted in popular culture including but not limited to the movies This concern points to a need for a conversation examining what the Bible actually says in order to uncover transformations and distortions of the biblical stories in the wider culture including Christian culture Our conversation is counter cultural not in an oppositional way but taking an alternative posture that aims to provide different insights by drawing from and closely looking at the Bible The chapters take a Christian canonical approach articulating what the Bible says and doesn't say with regard to culturally pervasive themes such as sin and salvation Christ and Antichrist heaven and hell in contrast to popular understandings as disseminated in primarily film advertising television etc We hope that together we will open up fertile academic ecclesial and secular space for disclosing

loaded cultural and ideological views towards offering positive and intriguing insights embedded in the Bible **What the Bible Says about Your Body** Tony Stuart,2007-01-12 This text contains 50 studies on what the Bible teaches on the body Each section looks at a different topic and provides a practical checklist for readers to gauge how they shape up Biblical Studies The Bible Doesn't Say That Joel M. Hoffman,2016-02-16 A witty and accessible look at Scripture that explores what the Bible meant before two millennia of mistranslations and misinterpretations Publishers Weekly starred review In this fascinating book acclaimed translator and biblical scholar Dr Joel M Hoffman walks the reader through dozens of mistranslations misconceptions and other misunderstandings about the Bible In forty short straightforward chapters he covers morality lifestyle theology and biblical imagery including The Bible doesn t call homosexuality a sin and doesn t advocate for the one man one woman model of the family that has been dubbed biblical The Bible s famous beat their swords into plowshares is matched by the militaristic beat your plowshares into swords The often cited New Testament quotation God so loved the world is a mistranslation as are the titles Son of Man and Son of God The Ten Commandments don t prohibit killing or coveting What does the Bible say about violence About the Rapture About keeping kosher About marriage and divorce Hoffman provides answers to all of these and more succinctly explaining how so many pivotal biblical answers came to be misunderstood **The Rise and Fall of the Bible** Timothy Beal,2011-02-16 A professor of religion offers an engrossing and excellent look at how the Good Book has changed and changed the world through the ages Publishers Weekly starred review In a lively journey from early Christianity to the present this book explores how a box of handwritten scrolls became the Bible and how the multibillion dollar business that has brought us Biblezines and Manga Bibles is selling down the Book s sacred capital Showing us how a single official text was created from the proliferation of different scripts Timothy Beal traces its path as it became embraced as the word of God and the Book of books Christianity thrived for centuries without any Bible there was no official canon of scriptures much less a book big enough to hold them all Congregations used various collections of scrolls and codices As the author reveals there is no original Bible no single source text behind the thousands of different editions on the market today The farther we go back in the holy text s history the more versions we find In calling for a fresh understanding of the ways scriptures were used in the past the author of Biblical Literacy offers the chance to rediscover a Bible and a faith that is truer to its own history not a book of answers but a library of questions **Apologetics Study Bible for Students, Trade Paper** Sean McDowell,Holman Bible Staff,2010-02 The complete HCSB text is accompanied by dozens of articles collected from today s most popular youth leaders including general editor McDowell
