What Jesus Meant By Wills Garry 2007 Paperback:

What Jesus Meant Garry Wills, 2006-03-02 Garry Wills brings his signature brand of erudite unorthodox thinking to his latest book of revelations A tour de force and a profound show of faith O the Oprah Magazine Look out for a new book from Garry Wills What The Qur'an Meant coming fall 2017 In what are billed culture wars people on the political right and the political left cite Jesus as endorsing their views But in this New York Times bestselling masterpiece Garry Wills argues that Jesus subscribed to no political program He was far more radical than that In a fresh reading of the gospels Wills explores the meaning of the reign of heaven Jesus not only promised for the future but brought with him into this life It is only by dodges and evasions that people misrepresent what Jesus plainly had to say against power the wealthy and religion itself But Wills is just as critical of those who would make Jesus a mere ethical teacher ignoring or playing down his divinity An illuminating analysis for believers and nonbelievers alike What Jesus Meant is a brilliant addition to our national conversation on religion

Fundamentalism in American Religion and Law David A. J. Richards, 2010-03-15 Why from Reagan to George Bush have fundamentalists in religion and in law originalists exercised such political power and influence in the United States Why has the Republican Party forged an ideology of judicial appointments originalism hostile to abortion and gay rights Why and how did Barack Obama distinguish himself among Democratic candidates not only by his opposition to the Iraq war but by his opposition to originalism This book argues that fundamentalism in both religion and law threatens democratic values and draws its appeal from a patriarchal psychology still alive in our personal and political lives and at threat from the constitutional developments since the 1960s The argument analyzes this psychology based on traumatic loss in intimate life and resistance to it based on the love of equals Obama's resistance to originalism arises from his developmental history as a democratic as opposed to patriarchal man who resists the patriarchal demands on men and women that originalism enforces in particular the patriarchal love laws that tell people who and how and how much they may love

What Christians Believe Anna Wierzbicka, 2019-02-28 Many people today both Christians and non Christians are confused about or unaware of the essentials of Christian faith In this book Anna Wierzbicka takes a radically novel approach to the task of communicating what Christians believe to the widest possible audience The Story of God and People which is the heart of this book sets out the core tenets of Christian faith in narrative form using Minimal English It is accessible to anyone even those with no familiarity with Christianity or Christian vocabulary

The "Man Christ Jesus" Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus

accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus

The Bible's Greatest Hits Henry G. Good News for Moderns Nero James Pruitt, 2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my churchs teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on

Pruitts reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom **The Publishers Weekly** ,2008

The Best American Spiritual Writing 2007 Philip Zaleski,2007 A selection of the finest spiritual writing of the year offers essays and articles on faith spirituality and their influence on politics creativity literature and other fields reflecting Christian Muslim Jewish Buddhist and other diverse perspectives **Parabola** ,1976 **Chicago Tribune Index** ,2008
