essential concepts of the Mormon faith tradition with insightful yet unobtrusive commentary that helps to dispel many of the misconceptions that have surrounded the Book of Mormon since its publication in 1830 *The Mysterious Book of Mormon* Charles J. Sundberg, 1917 **The Book of Mormon** Joseph Smith, 2009-05-05 With our American Philosophy and Religion series Applewood reissues many primary sources published throughout American history Through these books scholars interpreters students and non academics alike can see the thoughts and beliefs of Americans who came before us The Psychological and Ethical Aspects of Mormon Group Life Ephraim Edward Ericksen, 1922 **Understanding the Book of Mormon** Ross Anderson, 2009-08-30 Mormons or members of the Church of Jesus Christ of Latter day Saints form a growing population in both numbers and influence Yet few people have more than a passing knowledge of the document that defines and drives this important movement the Book of Mormon A former Mormon and an adult convert to Christianity author Ross Anderson provides a clear summary of the Book of Mormon including its history teachings and unique features Stories from the author and other ex Mormons illustrate the use of Mormon scripture in the Latter day Saint church Anderson gives special attention to how the Book of Mormon relates to Christian beliefs about God Jesus and the Bible With discussion questions to facilitate group use and a focus on providing an accurate portrayal of Mormons beliefs Understanding the Book of Mormon is an indispensable guide for anyone wishing to become more familiar with the Church of Jesus Christ of Latter day Saints and its most formative scripture **The Truth about the Mormons** Charles Sheridan Jones, 1920 What Is Life All About? Alan P. Gill, 2009-07-31 What Is Life All About Is life A Grand Conspiracy A Marvelous Mystery An Incredible Accident Or Something Else The surprise is that you can know the truth about life and be 100% confident in that knowledge You will know what is on the other side of death Amazingly your success or failure in life has to do with your attitude The person with the wrong attitude can read see hear the truth and deny it vehemently while the person with right attitude will understand appreciate and believe the truth Life is a perfect and difficult test The process of life itself sorts out good from evil right from wrong and you will succeed or fail depending on your attitude The book defines the attitude you need to succeed and provides evidence and examples to convince What is life really all about It may be true that most people do not care but what is the reason for not caring Generally it is because people DOUBT ANYONE REALLY KNOWS and thus why should anyone care In addition the world brings great confusion to this subject There are scams and frauds around every corner and even honest people push the limits of the truth with exaggeration which is really a lie Greed selfishness covetousness envy and power are behind a lot of the deceit The wonder of heaven will provide infinitely more than people could ever achieve on earth but people want everything NOW and deceit is a frequent companion to achieving earthly desires There are 45 chapters in the book What Is Life All About and then some extensive helpful appendices another 163 pages The single most influential deceit is in the area of religion The single most prominent reason for being an atheist or agnostic is religion The past 2000 years of religious history includes unspeakable cruelty wars terrorism indoctrination lies and

deception and this rightly leads to opposition but also strangely to acceptance indifference excuses by others The critical missing fact is that God had nothing to do with these religions but abhors them What a pathetic assumption to blame God The truth about God and these religious groups could quickly clarify the situation Chapter 16 is a chapter that begins to sort out HOW all this religious mess occurred Here is a partial outline for chapter 16 16 1 What Is Seriously Wrong with Judaism 16 2 What Is Seriously Wrong with Roman Catholicism 16 3 What Is Seriously Wrong with Protestant Groups 16 4 What Is Seriously Wrong with Islam 16 5 What Is Seriously Wrong with Mormonism 16 6 What Is Seriously Wrong with the Jehovahs Witnesses 16 7 What Is Seriously Wrong with Atheism Agnosticism Seriously Wrong means there is NO eternal value in these religions These belief systems were the fabrication of men and or women and did NOT come from God The evidence is overwhelming and deceit runs through these religions like vultures going through a carcass You do not need a forensic analysis but you can do a complete autopsy if you wish The damaging evidence regarding these groups is clearly seen and very logical and understandable from the book This is because AS YOU UNDERSTAND GOD a significant subject in the book you do not need to go very far into these beliefs to see huge problems One of the attitudes you need is a LOVE OF THE TRUTH more than the love of what you currently believe You can understand God His purpose His plan inasmuch as He has revealed Himself Incredibly one major obstacle to overcome will be the MAGNITUDE OF THE DECEIT Lies on top of lies often for many centuries define todays religions Religion has become mans idea of God and there is no consistency just random unrelated doctrines The truth is infinitely different with everything perfectly connected to a single purpose Ultimately your success or failure in life is simply a matter of where you place your trust Is your trust in God or is it in men women who say they are telling you

Understanding the Book of Mormon Grant Hardy, 2010-04-07 Mark Twain once derided the Book of Mormon as chloroform in print Long and complicated written in the language of the King James version of the Bible it boggles the minds of many Yet it is unquestionably one of the most influential books ever written With over 140 million copies in print it is a central text of one of the largest and fastest growing faiths in the world And Grant Hardy shows it s far from the coma inducing doorstep caricatured by Twain In *Understanding the Book of Mormon* Hardy offers the first comprehensive analysis of the work s narrative structure in its 180 year history Unlike virtually all other recent world scriptures the Book of Mormon presents itself as an integrated narrative rather than a series of doctrinal

expositions moral injunctions or devotional hymns Hardy takes readers through its characters events and ideas as he explores the story and its messages He identifies the book s literary techniques such as characterization embedded documents allusions and parallel narratives Whether Joseph Smith is regarded as author or translator it s noteworthy that he never speaks in his own voice rather he mediates nearly everything through the narrators Nephi Mormon and Moroni Hardy shows how each has a distinctive voice and all are woven into an integral whole As with any scripture the contending views of the Book of Mormon can seem irreconcilable For believers it is an actual historical document transmitted from ancient America For nonbelievers it is the work of a nineteenth century farmer from upstate New York Hardy transcends this intractable conflict by offering a literary approach one appropriate to both history and fiction Regardless of whether readers are interested in American history literature comparative religion or even salvation he writes the book can best be read if we examine the text on its own terms *The Facts on the Mormon Church* John Ankerberg, John Weldon, Dillon
