TEN YEARS OF THE ZAPATISTA UPRISING

Writings of Subcomandante Insurgente Marcos

Edited and with a contribution by Ziga Vedovnik

Forewords by Noam Chomsky and Naomi Klein

Ya Basta Ten Years Of The Zapatista Uprising

RS Peters

Ya Basta Ten Years Of The Zapatista Uprising:

Ya Basta! Marcos (subcomandante.),2004-01-01 For ten years a voice from deep within the Mexican jungle has inspired us to fight back **Ya Basta! Ten Years of the Zapatista Uprising** Ziga Vodovnik,2000 **¡Ya basta!** Marcos,Žiga Vodovnik,Noam Chomsky,Naomi Klein,2003 **Zapatistas** Doctor Alex Khasnabish,2013-04-04 In the early hours of January 1 1994 a guerrilla army of indigenous Mayan peasants emerged from the highlands and jungle in the far southeast of Mexico and declared Ya basta Enough to 500 years of colonialism racism exploitation oppression and genocide As elites in Canada the United States and Mexico celebrated the coming into force of the North American Free Trade Agreement the Zapatista Army of National Liberation Ejército Zapatista de Liberación Nacional EZLN declared war against this 500 year old trajectory toward oblivion one that they said was most recently reincarnated in the form of neoliberal capitalist globalization that NAFTA represented While the Zapatista uprising would have a profound impact upon the socio political fabric of Chiapas its effects would be felt far beyond the borders of Mexico At a moment when state sponsored socialism had all but vanished from the global political landscape and other familiar elements of the left appeared utterly demoralized and defeated in the face of neoliberal capitalism's global ascendance the Zapatista uprising would spark an unexpected and powerful new wave of radical socio political action transnationally Through an exploration of the Zapatista movement's origins history structure aims political philosophy and practice and future directions this book provides a critical comprehensive and accessible overview of one of the most important rebel groups in recent history Zapatismo Beyond Borders Alex Khasnabish,2008-11-01 On January 1 1994 in the far southeast of Mexico a guerrilla army of indigenous Mayan peasants calling itself the Zapatista Army of National Liberation rose up in rebellion against 500 years of colonialism imperialism genocide racism and neoliberal capitalism Zapatismo Beyond Borders examines how Zapatismo the political philosophy of the Zapatistas crossed the regional and national boundaries of the isolated indigenous communities of Chiapas to influence diverse communities of North American activists Providing readers with anthropological perspectives that draw on a year of fieldwork with activists and also enriched by the author's own experience with contemporary social justice struggles Alex Khasnabish examines the transnational resonance of the Zapatista movement He shows how the spread of Zapatismo has unexpectedly produced new imaginations and practices of radical political action in diverse socio political movements throughout North America Zapatismo Beyond Borders is an engaging study of a radical political philosophy that has been both a model for grassroots organizations and a rallying call for members of the anti globalization movement Rigorous and engaged this will be of interest to anyone interested in indigenous rights movements political philosophy and the recent history of political activism **Performance and the Global City** D. Hopkins,K. Solga,2013-10-15 Winner of the Association for Theatre in Higher Education Excellence in Editing Award 2016 Following the ground breaking Performance and the City this new volume explores what it means to create and experience urban performance as both an aesthetic and a

political practice in the burgeoning world where cities are built by globalization and neoliberal capital **The Struggle for the World** Charles Lindholm, José Pedro Zúquete, 2010-03-09 This controversial book establishes fundamental similarities between anti globalization aurora movements offering a new understanding of the sources and significance of resistance to the spiritual conditions of the modern world *Bk. 5. Further down the rabbit hole* Ezra Niesen, 2005 *Dialectics of the Self* Ian Fraser, 2007 Fraser presents a critical evaluation of the Canadian philosopher Charles Taylor's conception of the self and of its moral and political possibilities **Humanity & Society**, 2006 *This World and the Next* Darren Noy, 2009

Free Comrades Terence S. Kissack, 2008 The political origins of gay liberation in the United States *The Voltairine de Cleyre Reader* Voltairine De Cleyre, 2004 The scope and depth of de Cleyre's activism study and concern are finally available in this collection of poetry and prose Combined into a fully annotated single volume are classic works as well as writings which have not been widely available for decades Though never as infamous as Emma Goldman de Cleyre distinguished herself as a leading intellectual activist speaker and writer Though she died young in 1912 at the age of 46 she had already made a tremendous impact in anarchist feminist and labour movements in America **Leaves of Grassroots Politics** Scott Henkel, 2007 **Investigating La Frontera** Gabriela Nuñez, 2007 **The Speed of Dreams** Marcos (subcomandante.), 2007-11-23 Since the publication of *Our Word Is Our Weapon* which Publishers Weekly described as strong as dignity and as subtle as love Mexico's enigmatic Zapatista leader has written some of his most brilliant and complex works From a retelling of indigenous myths and legends to visions of the future of Mexico from searing critiques of the US war in Iraq to clandestine radio broadcasts from the jungles of Chiapas here is an amazing selection of writing that gives voice to the literary and poetic genius of Latin America's greatest living writer and rebel Subcomandante Marcos is a spokesperson and strategist for the Zapatistas ABSURD Thus the man known around the world as Subcomandante Marcos soldier revolutionary poet philosopher and spokesman for the Ejército Zapatista de Liberación Nacional EZLN describes the political situations that exist in the world today It is absurd that he lives in a country that has produced the world's most wealthy individual but in which over 40 percent of the population lives in dire poverty Marcos book *The Speed of Dreams* is a collection of translated writings arranged in more or less chronological order by the editors They include presentations that Marcos made at forums and during marches throughout Mexico and delightful philosophical musings that Marcos attributes to devils children and a hardshelled Lacandon beetle named Durito who rides a skateboard and calls the Sup used underwear face Robert Joe Stout *New Politics* A bead of sweat is visible through the eyehole of his famous black balaclava Latin America's most celebrated living rebel must be feeling the heat but a glass of water would mean taking off the mask and that is out of the question He makes do with a puff on his pipe and a subject that is close to his heart *The Guardian* In November 2003 within the context of the 20th anniversary of the foundation of the Zapatista Army of National Liberation EZLN and the 10th anniversary of the indigenous insurrection that shook the world the Mexican magazine *Rebelde* coordinated the Campaign

EZLN 20 and 10 The Fire and the Word Within the framework of these two anniversaries a series of materials was developed that gathered works created by painters photographers video makers and musicians from around the world who have been influenced by Zapatista discourse and practice Additionally a book on the history of the EZLN with the same title as the campaign was presented together with the largest and most emblematic photographic exhibit in the history of Zapatismo the most representative musical memory of this first decade of political struggle and a video that like the book brings together pieces of that history Gloria Muñoz Ramírez Nativity scenes are plentiful in San Cristóbal de las Casas a colonial city in the highlands of Chiapas Mexico But the one that greets visitors at the entrance to the TierraAdentro cultural center has a local twist figurines on donkeys wear miniature ski masks and carry wooden guns It is high season for Zapatourism the industry of international travelers that has sprung up around the indigenous uprising here and TierraAdentro is ground zero Naomi Klein The Nation This volume collects writings by Mexican Zapatista insurgent Subcomandante Marcos made public following the publication of Our Word Is Our Weapon in 2001 Among the 40 writings collected are literary allegorical philosophical and poetic texts as well as shorter examples of historical or logistical communiqués that the editors feel reflect the poetics of praxis Book News Inc In Chiapas these are complicated times in an even more complicated place The desire for knowledge refuses simple answers and instead offers itself in the form of new questions To a visiting traveler valuable insights drift elusively through the air In moments like these expect to be disoriented because this is a place where disparate worlds meet mingle or collide Canek Peña Vargas and Greg Ruggiero ZNet **Real Utopia** Chris Spannos, 2008 With contributors including Barbara Ehrenreich Michael Albert Tom Wetzell Lydia Seargent Noam Chomsky and many more this is collection of some of the finest progressive minds around Real Utopia catapults the imagination into visions of what participatory society may look like and how we might get there The writers aim to distinguish between what is feasible and what is a pipe dream proposing practical transformations of society's key defining institutions *Vincentian Heritage*, 2008 *Beyond Bullets* Jules Boykoff, 2007 How government and media team up to silence sometimes permanently dissenting voices in the United States Subcommander Marcos Nick Henck, 2007-07-09 Describes the thought leadership and personality of the charismatic rebel spokesperson Subcommander Marcos

Ya Basta Ten Years Of The Zapatista Uprising Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ya Basta Ten Years Of The Zapatista Uprising has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ya Basta Ten Years Of The Zapatista Uprising has opened up a world of possibilities. Downloading Ya Basta Ten Years Of The Zapatista Uprising provides numerous advantages over physical copies of books and documents. Firstly, it is

incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ya Basta Ten Years Of The Zapatista Uprising has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ya Basta Ten Years Of The Zapatista Uprising. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ya Basta Ten Years Of The Zapatista Uprising. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ya Basta Ten Years Of The Zapatista Uprising, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ya Basta Ten Years Of The Zapatista Uprising has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
