A chilling noir collection featuring fifteen crime and mystery tales and six poems from female authors Joyce Carol Oates a queen pin of the noir genre has brought her keen and discerning eye to the curation of an outstanding anthology of brand new top shelf short stories and poems by Margaret Atwood While bad men are not always the victims in these tales they get their due often enough to satisfy readers who are sick and tired of the gendered status quo or who just want to have a little bit of fun at the expense of a crumbling patriarchal society This stylistically diverse collection will make you squirm in your seat stay up at night laugh out loud and inevitably wish for more With stories by Joyce Carol Oates Margaret Atwood poems Valerie Martin Aimee Bender Edwidge Danticat Sheila Kohler S A Solomon S J Rozan Lucy Taylor Cassandra Khaw Bernice L McFadden Jennifer Morales Elizabeth McCracken Livia Llewellyn Lisa Lim and Steph Cha Praise for Cutting Edge The indefatigable Joyce Carol Oates gathers a strong list of names Emerging and established authors provide attention grabbing short works especially notable are Edwidge Danticat s story on the quotidian horror of domestic violence Bernice L McFadden s comic take on the appropriation of racial friendship and Lisa Lim s illustrations of a grotesque marriage Alfred Hitchcock Mystery Magazine But of course in the end it isn t the themes or the innovations on the format of the short story anthology that make the tales collected in Cutting Edge most feel as if you were reading Joyce Carol Oates herself It is the writing The tight plots and fresh flowing prose that go about their business until snap the story s well oiled mousetrap does its job New York Journal of Books The 15 stories and six poems in this slim yet weighty all original noir anthology are razor sharp and relentless in their portrayal of life offering snapshots of dysfunction everyday toil and brief joy It is unusual however in its scope zeroing in not only on what the female characters endure but what they dish out Each story sears but does not cauterize leaving protagonists and readers raw Fans of contemporary crime fiction won t want to miss this one Publishers Weekly **Reefer Movie Madness**
