Through The Window Of Life:

The Window of Life Deleola Akeredolu, 2012-06-19 In this jet age people are closer to their computers iPods and iPhones than to God their creator In the Old Testament God put in place prophets to guide His people and under the covenant of grace the Holy Spirit educates and teaches all things Rather than seek help through the Holy Spirit people are moving farther away from God by wanting to do things in their own way Earthly wisdom always leads people astray That is further reason why there is no peace in the world but the wisdom from God is peaceable gentle open to reason and full of mercy and good In *The Window of Life* Deleola Akeredolu clearly explains how beneficial it is to look at life through the eyes of God All the materials in this book are from visions and revelations given by God
