

Thucydides' War Narrative

A Structural Study

Carolyn Dewald

Thucydides War Narrative A Structural Study

**Ryan Balot, Sarah Forsdyke, Edith
Foster**

Thucydides War Narrative A Structural Study:

Thucydides' War Narrative Carolyn Dewald, 2005 Carolyn Dewald presents an in depth study of the changing narrative principles in Thucydides History of the Peloponnesian War rigorously analysing how the various elements are structured used and related to each other

Thucydides' War Narrative Carolyn Dewald, 2006-02-12 As a sustained analysis of the connections between narrative structure and meaning in the History of the Peloponnesian War Carolyn Dewald's study revolves around a curious aspect of Thucydides work the first ten years of the war's history are formed on principles quite different from those shaping the years that follow Although aspects of this change in style have been recognized in previous scholarship Dewald has rigorously analyzed how its various elements are structured used and related to each other Her study argues that these changes in style and organization reflect how Thucydides own understanding of the war changed over time Throughout however the History's narrative structure bears witness to Thucydides dialogic efforts to depict the complexities of rational choice and behavior on the part of the war's combatants as well as his own authorial interest in accuracy of representation In her introduction and conclusion Dewald explores some ways in which details of style and narrative structure are central to the larger theoretical issue of history's ability to meaningfully represent the past She also surveys changes in historiography in the past quarter century and considers how Thucydidean scholarship has reflected and responded to larger cultural trends

The Historical Present in Thucydides: Semantics and Narrative Function Jean Lallot, Albert Rijksbaron, Bernard Jacquinod, Michel Buijs, 2011-03-21 After Etudes sur l'aspect verbal chez Platon Saint Etienne 2000 the international Groupe de recherche sur l'aspect verbal en grec now presents a second volume on verbal aspect in Ancient Greek which is devoted to the function's of the Historical Present in Thucydides In nine chapters the authors approach this subject from a variety of angles focusing inter alia on the HP of particular verbs and on its use in battle narratives or investigate Thucydides use of the HP from a comparative perspective They share one important assumption viz that the primary function of the HP is to mark events that were according to Thucydides of decisive importance for the development of the Peloponnesian War By its rich and detailed analyses the book provides important new insights into Thucydides narrative technique

Making Time for the Past Katherine Clarke, 2008-03-20 This book has two main and connected themes the conception and articulation of time in the Greek world and the creation of history especially in the context of the Greek city Both how time is expressed and how the past is presented have often been seen as reflections of society By looking at the construction of the past through the medium of local historiography where we can view these issues in the relatively restricted world of individual city states we can gain a clearer insight into how different versions of the past and different constructions of time were offered to the community for approval In this way the citizens were able to negotiate time past and indeed their own history and thereby to express their values and aspirations

The Plague of War Jennifer Tolbert Roberts, 2017 A major new history of the violent protracted conflict between ancient Athens and Sparta

Thucydides, Pericles, and Periclean Imperialism Edith Foster, 2010-05-31 Edith Foster compares Thucydides narrative explanations and descriptions of the Peloponnesian War in Books One and Two of the History with the arguments about warfare and war materials offered by the Athenian statesman Pericles in those same books In Thucydides narrative presentations she argues the aggressive deployment of armed force is frequently unproductive or counterproductive and even the threat to use armed force against others causes consequences that can be impossible for the aggressor to predict or contain By contrast Pericles speeches demonstrate that he shared with many other figures in the History a mistaken confidence in the power glory and reliability of warfare and the instruments of force Foster argues that Pericles does not speak for Thucydides and that Thucydides should not be associated with Pericles intransigent imperialism The Oxford History of Historical Writing Daniel R. Woolf, Andrew Feldherr, Grant Hardy, 2011-02-17 A chronological scholarly survey of the history of historical writing in five volumes Each volume covers a particular period of time from the beginning of writing to the present day and from all over the world **A Handbook to the Reception of Thucydides** Christine Lee, 2015-01-20 A Handbook to the Reception of Thucydides offers an invaluable guide to the reception of Thucydides with a strong emphasis on comparing and contrasting different traditions of reading and interpretation Presents an in depth comprehensive overview of the reception of the Greek historian Thucydides Features personal reflections by eminent scholars on the significance and perennial importance of Thucydides work Features an internationally renowned cast of contributors including established academics as well as new voices in the field **Encounters with the Plague in Homer, Sophocles, and Thucydides** Pantelis Michelakis, 2025-11-13 Encounters with the Plague in Homer Sophocles and Thucydides explores three of the earliest and most influential accounts of plague visitations in Western literature Homer's Iliad book 1 1 487 Sophocles Oedipus the King esp 1 215 and Thucydides History of the Peloponnesian War book 2 esp 47 3 54 The question at the core of this study is how a destructive force within narrative becomes a creative force for narrative itself both in terms of the formation of narrative and in narrative's encounter with its readers and spectators as the hosts that will ensure its dissemination and its survival through time The three accounts of plague visitations under discussion matter as examples of a particular type of narrative event associated with crisis In all three of them the plague spreads through seemingly disparate but closely interconnected social material and technical networks different linguistic domains structures of narrative space and time routes of knowledge and affect and biological and socio political bodies Thematically the plague is a disruptive force that breaks down distinctions between and across such networks At the same time however it is also a generative force that shows the capacity of narrative to expose the heterogeneous parts of such networks and the complex interconnections within and between them By emphasizing the disruptive invasive force of such narratives with their power to spread like epidemic disease this book offers a way of thinking through the anxieties generated by exposure to technical and artistic skill

Myth, Truth, and Narrative in Herodotus Emily Baragwanath, Mathieu de Bakker, 2012-09-06 Herodotus the Father of

History is infamously known for having employed elements more akin to mythological tales than to unvarnished truth in translating his historical research into narrative form While these narratives provide valuable source material he could not have surmised the hostile reception his work would receive in later generations This mythical aspect of the Histories led many successors most notoriously Plutarch to blame Herodotus for spinning far fetched lies and to set him apart as an untrustworthy historian Echoes of the same criticism resounded in twentieth century scholarship which found it difficult to reconcile Herodotus ambition to write historical stories as they really happened with the choices he made in shaping their form This volume brings together 13 original articles written by specialists in the fields of ancient Greek literature and history Each article seeks to review re establish and rehabilitate the origins forms and functions of the Histories mythological elements These contributions throw new light on Herodotus talents as a narrator underline his versatility in shaping his work and reveal how he was inspired by and constantly engaged with his intellectual milieu The Herodotus who emerges is a Herculean figure dealing with a vast quantity of material struggling with it as with the Hydra s many growing heads and ultimately rising with consummate skill to the organisational and presentational challenges it posed The volume ultimately concludes that far from being unrelated to the historical aspects of Herodotus text the mythic elements prove vital to his presentation of history

The Authoritative Historian K. Scarlett Kingsley, Giustina Monti, Tim Rood, 2023-01-26 In this volume an international group of scholars revisits the themes of John Marincola s ground breaking *Authority and Tradition in Ancient Historiography* The nineteen chapters offer a series of case studies that explore how ancient historians approaches to their projects were informed both by the pull of tradition and by the ambition to innovate The key themes explored are the relation of historiography to myth and poetry the narrative authority exemplified by Herodotus the father of history the use of fictional literary devices in historiography narratorial self presentation and self conscious attempts to shape the historiographical tradition in new and bold ways The volume presents a holistic vision of the development of Greco Roman historiography and the historian s dynamic position within this practice

Reconfiguring the Imperial Past: Narrative Patterns and Historical Interpretation in Herodian's History of the Empire Chrysanthos S. Chrysanthou, 2022-05-20 In the process of recording the history of the Roman Empire from the death of Marcus Aurelius to the accession of Gordian III Herodian makes his characters respond to the same situations in similar or different ways This book shows that each reign in Herodian s History is creatively mapped onto ever recurring narrative patterns It argues that patterning is not simply decorative in Herodian s work but constitutes a crucial conceptual and methodological tool for writing interpretative history Herodian deserves credit as an original and independent author A careful consideration of the formulaic nature of his historiography indicates that there is more artistry in his composition than had previously been discerned

Greek Historiography Thomas F. Scanlon, 2015-09-28 This volume provides an accessible comprehensive and up to date survey of the ancient Greek genre of historical writing from its origins before Herodotus to the Greek historians of the Roman imperial

era seven centuries later Focuses on the themes of power and human nature causation divine justice leadership civilization versus barbarism legacy and literary reception Includes thorough summaries alongside textual analysis that signpost key passages and highlight thematic connections helping readers navigate their way through the original texts Situates historical writing among the forms of epic and lyric poetry drama philosophy and science Uses the best current translations and includes a detailed list of further reading that includes important new scholarship **The ^AOxford Handbook of Thucydides** Ryan Balot,Sarah Forsdyke,Edith Foster,2017-02-10 Divided into four sections History Historiography Political Theory and Context and Reception The Oxford Handbook of Thucydides provides a comprehensive introduction to Thucydides ideas and their ancient influence It bridges traditionally divided disciplines and offers both solid explanation and innovative approaches **Figuring Death in Classical Athens** Emily Clifford,2025-02-12 Figuring Death in Classical Athens puts art and literature in conversation to explore how ancient Athenians grappled with the uncertainties of death How did objects and texts generate thinking about what death is and might be like Were Athenians aware of the imaginative frameworks that underpinned their thinking Did they worry not just about death but whether they could figure it out Death in the ancient world has long been a subject of interest Studies abound that examine its social and ideological dimensions funerary practices and changing attitudes and beliefs This book takes a fresh approach cutting across sub disciplines art text philosophy and so on to build a picture of how ancient art and literature got their audiences thinking thinking not just about death but about its knowability Whether in the theatre at the symposium or on the Acropolis representations of death challenged Athenians by presenting problems of exteriority how can the living know what dying might be like and particularity can one person s experience hold for another is death truly a leveller The material covered is wide ranging Unlike other studies which often focus on either art or text and on one category of objects or one literary genre the book pulls together exemplary texts and objects including Plato drinking cups Sophocles temple sculpture and Thucydides and makes each accessible to readers from multiple sub disciplines and indeed from beyond Classics It will be critical reading for those interested in ancient attitudes to death as well as those interested in cultural imagination and intellectual history As a multi media study it will appeal to those working on ancient image and text and their intersection and more broadly to those in other disciplines working on visibility mediality materiality and culturally situated ideas **The Cambridge Companion to Thucydides** Polly Low,2023-03-09 A wide ranging introduction to one of the earliest and most influential works in the western historical tradition **Beyond the Battlefields** Edward Bragg,Lisa Irene Hau,Elizabeth Macaulay-Lewis,2021-02-03 Beyond the Battlefields explores the relationship between warfare and society in the Graeco Roman world through the various lenses of history art literature and archaeology The study of ancient warfare often evokes images of crusty old scholars pouring over battle tactics and strategy This book a collection of thirteen essays by young scholars examines the political social economic and artistic affects of war in ancient society in Greece and Rome from

Homeric times to the sixth century AD Essays focus on a wide range of topics from espionage and ancient spin doctors to fantasies of peace in the Iliad and triumphal plants Each article in this book presents the next scholarly generation s new and dynamic approach to ancient warfare and seeks to demonstrate how much there is still to learn and understand about ancient society and warfare if we venture beyond the battlefields This volume represents a new wave of interest in warfare as a far more than merely military phenomenon Professors Brian Campbell and Hans Van Wees excerpt from the Introduction

The Greeks and the Rational Josiah Ober,2022-11-29 Introduction discovering practical reason Gyges choice rationality and visibility Glaucon s dilemma origins of social order Deioces ultimatum how to choose a ruler Solon s bargain self enforcing constitutional order Melos prospect limits of inter state rationality Socrates critique problems for democratic rationality Cephalus expertise economic rationality Conclusions utility and eudaimonia Appendix probability risk and likelihood The Oxford Handbook of Hellenic Studies George Boys-Stones,Barbara Graziosi,Phiroze Vasunia,2009-08-20 The Oxford Handbook of Hellenic Studies is a unique collection of some seventy articles which together explore the ways in which ancient Greece has been is and might be studied It is intended to inform its readers but also importantly to inspire them and to enable them to pursue their own research by introducing the primary resources and exploring the latest agenda for their study The emphasis is on the breadth and potential of Hellenic Studies as a flourishing and exciting intellectual arena and also upon its relevance to the way we think about ourselves today Space, Place, and Landscape in Ancient Greek Literature and Culture Kate Gilhuly,Nancy Worman,2014-09-22 This book brings together a collection of original essays that engage with cultural geography and landscape studies to produce new ways of understanding place space and landscape in Greek literature from the fifth and fourth centuries BCE The authors draw on an eclectic collection of contemporary approaches to bring the study of ancient Greek literature into dialogue with the burgeoning discussion of spatial theory in the humanities The essays in this volume treat a variety of textual spaces from the intimate to the expansive the bedroom ritual space the law courts theatrical space the poetics of the city and the landscape of war And yet all of the contributions are united by an interest in recuperating some of the many ways in which the ancient Greeks in the archaic and classical periods invested places with meaning and in how the representation of place links texts to social practices

Thucydides War Narrative A Structural Study Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Thucydides War Narrative A Structural Study PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Thucydides War Narrative A Structural Study PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Thucydides War Narrative A Structural Study free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Thucydides War Narrative A Structural Study Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Thucydides War Narrative A Structural Study is one of the best book in our library for free trial. We provide copy of Thucydides War Narrative A Structural Study in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Thucydides War Narrative A Structural Study. Where to download Thucydides War Narrative A Structural Study online for free? Are you looking for Thucydides War Narrative A Structural Study PDF? This is definitely going to save you time and cash in something you should think about.
