Tilopa's Mahamudra Upadesha The Gangama Instructions With Commentary:

Tilopa's Mahamudra Upadesha Sangyes Nyenpa Rinpoche, 2014-04-15 An explanation of the Indian Mahasiddha Tilopa's renowned Gangama Mahamudra meditation instructions given in a traditional Tibetan context by one of its lineage's most accomplished contemporary masters. These ancient instructions in the form of a song of realization are the original source for all Mahamudra lineages of meditation. All lineages of Mahamudra meditation have their source in a verse teaching a song of realization sung by the Mahasiddha Tilopa to his disciple Naropa on the banks of the Ganges River more than a thousand years ago. Since that time the meaning of the instructions has been passed directly from master to disciple in a continuous transmission lineage that exists unbroken to this day. Mahamudra meditation while highly advanced is yet simple and practical because what is identified and meditated upon is the very essence of one's own mind. This book offers the reader a window into the oral transmission of these instructions given in a traditional Tibetan context by one of the Kagyu lineage's most learned and accomplished contemporary masters.

Tilopa's Wisdom Khenchen Thrangu, 2019-12-31 Accessible and practical teachings on both the life of Tilopa who founded the Kagyu tradition of Tibetan Buddhism and one of his most important texts on the practice of Mahamudra. Most traditions of Mahamudra meditation can be traced back to the Mahasiddha Tilopa and his Ganges Mahamudra, a song of realization that he sang to his disciple Naropa on the banks of the Ganges River more than a thousand years ago. In this book Khenchen Thrangu, a beloved Mahamudra teacher, tells the extraordinary story of Tilopa's life and explains its profound lessons. He follows this story with a limpid and practical verse by verse commentary on the Ganges Mahamudra, explaining its precious instructions for realizing Mahamudra, the nature of one's mind. Throughout Thrangu Rinpoche speaks plainly and directly to Westerners eager to receive the essence of Mahamudra instructions from an accomplished teacher.
