Time to Defeat the Devil Chuck D. Pierce, 2011 Times are changing and we must stay in God's timing to prosper in a world where the god of this age is attempting to mold you into the blueprint of the day and cause you to look like the world around you. God has called His people to have transformed minds and to be linked to the Head not to bring up the rear in producing the changes around us. When we are at the right place at the right time we can break out of confusing mind altering powers that war against God and all the blessings He is ready to pour upon us. The author is writing this book to help us understand how to enter a new level of freedom and victory. This book is like a war manual that will help you stay free from the enemy's vexing power as you journey through life. This installment of the Time trilogy will teach you how to war in time. Your battles are now. God reconciles our past so that our now opens up to our future. Your defeats in a former season will now become the victories and triumphs for your future.

When you submit to His plan He opens doors of abundance. But how do you begin? A Time to Prosper reveals how you can align yourself with The Cycles of the Biblical Feasts, The Laws of Multiplication, Use and Recovery, The Covenant of God, The Miracle of Firstfruits. Woods,2021-11-19 A call for holiness It appears that in our present time the world has moved farther and farther from God Crime is raging all over the land and country Immorality appears to be an accepted way of life Attitudes of hatred permeate at many levels of our society Many churches seem to have lost the mandated mission of soul winning and kingdom building Many lifestyles of Christians and non Christians seem to have moved far away from the principles of decent and holy living Many families have failed to establish and teach biblical principles to their children at early ages therefore holy living for them is not a top priority The fact that many people have not taken holy living seriously enough to spiritually impact their way of life does not negate God s instructions for us to live holy lives Throughout the Bible it is expressed over and over again for us to be holy for God is holy The ultimate consequence of not living a holy life is that we will miss sharing eternity with God which is an awesome price to pay The reason for writing this book came to me in a vision about the need to speak out about our calling from the Word of God to live holy lives Hearing and applying the call for holy living begins with each individual If the world is going to get any better it is going to be up to us the people of God to make a difference It is my prayer that after reading this book each of us will aggressively pursue holiness and will also aggressively seek to share the good news of Jesus Christ with others
