Patience Ibrahim's first husband was murdered by Boko Haram the Islamic fundamentalist terrorist organization based in West Africa. She fled to the safety of her village and remarried several months later. Having prayed for a child for years, Patience is overjoyed when she discovers she is pregnant. But her joy is short-lived. Boko Haram soldiers are at her door. Brutally abducted and forced to convert to Islam, she lives in constant terror of what her kidnappers have in store for her. She finds herself alone in the world and fears her life is over. For 2 months, Patience hides her pregnancy while facing the brutalities meted out by Boko Haram. By the sheer force of her determination to protect her baby, she and her child escape. Now she has entrusted journalist Andrea C Hoffmann with her story, a powerful first-person account of Boko Haram's atrocities in Nigeria and Cameroon. A gripping testimony of the terrorist group's war crimes in Western Africa. A Gift from Darkness poignantly shows the human toll of a crisis that demands attention.

Fresh Ecocritical Voices in African Literatures and Cultures Chinonye Ekwueme-Ugwu, Joyce Onoromhenre Agofure, Nsah Mala, 2025-10-13. This edited volume brings together fresh voices both emerging and established on the ecocritical landscape within African literatures and cultures. In the era of the Anthropocene, the editors and contributors demonstrate how African cultural products address climate and ecological concerns including activism, animal and plant conservation, climate change, environmental degradation, food security, disasters, ecosystems, and social injustice. The volume offers critical and comparative analyses that transcend the boundaries of languages, places, and textual genres. Significantly, it foregrounds the intersectionality of ecological issues with social, economic, and political dimensions. By doing so, it highlights how environmental challenges are intricately linked to questions of identity, space, justice, and indigenous knowledge systems. While espousing classical textual analysis and beginning to gesture towards empirical experimentation, the volume exemplifies ongoing decolonial and postcolonial approaches in environmental humanities from the African continent and the Global South. Where Women are Kings Christie Watson, 2013-10-10. A story of family, adoption, belonging, and love from the Costa-winning author of *Tiny Sunbirds*, *Far Away*, and the bestselling nursing memoirs *The Language of Kindness* and *The Courage to Care*. Elijah, seven years old, is covered in scars and has a history of disruptive behaviour. His adoptive mother, Nikki, believes that she and her husband, Obi, are strong enough to accept his difficulties and that being white will not affect her ability to raise a black son. Elijah's birth mother, Deborah, loves her son like the world has never known. Elijah thinks it's his fault they can't be together. Each of them faces more challenges than they could have dreamed, but just as Elijah starts to settle, a shocking event rocks their fragile peace, and the result is devastating. Kept us gripped throughout, stayed with us long after we'd finished the final page. Stylist.

Where Women Are Kings Christie Watson, 2015-04-28. An intense cross-cultural story of love about an adopted Nigerian boy who can't shake his beliefs that his birth mother loves him and that he's possessed by a wizard. Elijah, 7 years old, is covered in scars and has a history of disruptive behavior. Taken away from his birth mother, a Nigerian immigrant in England, Elijah is moved from one foster parent to the next before finding a home with Nikki and her husband, Obi. Nikki

believes that she and Obi are strong enough to accept Elijah's difficulties and that being white will not affect her ability to raise a black son. They care deeply for Elijah and in spite of his demons he begins to settle into this loving family. But as Nikki and Obi learn more about their child's tragic past they face challenges that threaten to rock the fragile peace they've established. Challenges that could prove disastrous. Nurses have never been more important. An inspiring book for our challenging times. Olivia Coleman. We benefit from their expertise in our hospitals and beyond in our schools on our streets in prisons hospices and care homes. When we feel most alone nurses remind us that we are not alone at all. In **The Courage to Care** bestselling author Christie Watson reveals the remarkable extent of nurses' work. A community mental health nurse choreographs support for a man suffering from severe depression. A teen with stab wounds is treated by the critical care team. His school nurse visits and he drops the bravado. A pregnant woman loses frightening amounts of blood following a car accident. It is a military nurse who synchronises the emergency department into immaculate order and focus. Christie makes a further discovery that time and again it is patients and their families including her own who show exceptional strength in the most challenging times. We are all deserving of compassion and as we share in each other's suffering Christie Watson shows us how we can find courage too. **The courage to care**.
