For the Sake of Elena Elizabeth George,1992 Elena Weaver was a surprise to anyone meeting her for the first time In her clingy dresses and dangling earrings she exuded a sexuality at odds with the innocence projected by the unicorn posters on her walls While her embittered mother fretted about her welfare from her home in London in Cambridge where Elena was a student at St Stephen s College her father and his second wife each had their own very different image of the girl As for Elena she lived a life of casual and intense physical and emotional relationships with scores to settle and goals to achieve until someone lying in wait along the route she ran every morning bludgeoned her to death Unwilling to turn the killing over to the local police the university calls in New Scotland Yard Thus Detective Inspector Thomas Lynley and his partner Detective Sergeant Barbara Havers enter the rarefied world of Cambridge University where academic gowns often hide murderous intentions For both officers the true identity of Elena Weaver proves elusive Each relationship the girl left behind casts new light both on Elena and on those people who appeared to know her best from an unsavory Swedish born Shakespearean professor to the brooding head of the Deaf Students Union What s more Elena s father a Cambridge professor under consideration for a prestigious post is a man with his own dark secrets While his past sins make him neurotically dedicated to Elena and blind to her blacker side present demons drive him toward betrayal

Mysteries: Set 1 ,2003 As Diana Rigg the host of Mystery the venerable PBS series which premiered these films observes Inspector Lynley gives his partner Barbara Havers class while she gives him nothing but grief That s not quite the case although by the final episode in this four part series they can be heard bantering like David and Maddie from Moonlighting And what is that tentatively wistful look on Havers face while Lynley regards his relationship with an unrequited love The Inspector Lynley Mysteries reunites author Elizabeth George s mismatched partners first introduced onscreen in A Great Deliverance Nathaniel Parker Eddie Murphy s ghostly host in The Haunted Mansion stars as Lynley Oxford educated detective and eighth earl of Asherton Sharon Small costars as Havers a working class cop Their class differences and personal prejudices are well delineated in Well Schooled in Murder set at a posh boarding school where a young student has been slain and For the Sake of Elena which investigates the death of a Cambridge University professor s deaf daughter The other two cases are more intriguingly personal as Lynley is reunited with lifelong friend Helen Clyde In Payment in Blood she is one of a cast of suspects when a playwright is slaughtered In Missing Joseph she returns as a profiler who assists Lynley in the case of a poisoned vicar We also see the softer side of Havers as she deals with her increasingly senile mother While fans of George s books may regret the abridgements necessary to bring each episode in at 90 minutes mystery buffs will enjoy the contemporary spin on classic genre conventions and Lynley and Havers prickly relationship which is at the heart of the series
