What Is Policing Policing Matters Series:

The Routledge Guide to Working in Criminal Justice Ester Ragonese, Anne Rees, Jo Ives, Terry Dray, 2014-09-19

Every year thousands of people compete for employment in the UK. Employability and the ability to demonstrate the skills, attributes and behaviours required in a full time job have become integral to securing employment and developing a career. This book aims to offer a one stop guide to becoming employable and to careers in the Criminal Justice Sector and beyond, exploring the key organizations and employers in England, Wales, Scotland and Northern Ireland, explaining how they operate and detailing how they are changing. Written in an engaging and accessible style by four experts on employability and the Criminal Justice Sector, this book combines useful hints on becoming employable with helpful insights from those working in specific sectors. The book covers careers in probation, the police, prisons, the courts, prosecution services and advocacy youth justice. Packed with hints and tips, advice from current students, useful web links and lists of recommended reading, this book provides a clear guide to the career decision making and transition processes and covers the essential elements required to making the first step towards securing a job in the above sectors. It will be essential reading for those who want to forge a successful career in any area of the Criminal Justice Sector.

Allyson MacVean, Peter Neyroud, 2012-02-22 This text provides an accessible up to date and comprehensive introduction to police ethics and values for all those undertaking degrees and foundation degrees in policing and related subjects. The recent introduction of directives, legislation and Codes of Standards has demanded a more principled and professional approach to policing. This book therefore provides a clear understanding of police ethics and values and how these are understood in policy and applied in an operational setting. It discusses the range, importance and complexity of ethical issues faced by law enforcement practitioners and policy makers, introduces the key concepts of ethics, professionalism and policing and relates these to key themes within policing.
