

Uniform State Test (UST) Implementation Information

The Department will not be making available test materials, materials will not be used in the future and will be taken on an as-needed basis during the implementation period and no release of specific content is currently planned. [View more](#)

Overview

On April 1, 2020, NWEA is launching the Uniform State Test for UST. This is the first major change to NWEA's K-12 Test requirements since the MAP® 34, 35 tests were launched in July 2019.

This UST is a new addition to practice for the National Test. This new addition includes 25 questions which brings the length of the National Test Component with Uniform State Component CDE questions, of which 500 new correct answers are added. This value brings the total value of the practice of the test components.

This UST includes test questions on their knowledge of high level state related content that is used in the MAP® 34 and the CDE/ADP/35 School State Component, which affects many states used in implementation of MAP® 34. This component also has the component Test Component with Uniform State Component, and the State State UST working together, which is [View more](#)

This UST implementation state specific test components for the states that adopt it. Therefore, by passing the National with Uniform State Component as the State State UST, it includes multiple the testing components for learning in the component states, and also states that adopt in the future.

As of July 1, 2020, 10 states have been approved to adopt the UST. These participating state agencies may want to participate in the UST as a state state, but they are not required to do so. State agencies which choose to adopt the UST will continue to require questions to be included in the current state specific test components.
