Through The Eyes Of Strangers:

Michael Jackson, as Seen Through the Eye's of a Stranger: Who Sees into the Hearts of Others Monique Jordon, 2010-04-26 Magical and mysterious Indeed he was Caring sharing his unlimited love Having and knowing no boundaries Achievements were a must Especially when it came to us Left us he has within our hearts an empty place Jealousy and greed sought to destroy him Above it he did rise Carrying on with Kindness and grace Suffering loneliness and despair One genuine soul in need of repair Now in the arms of angels in loving bliss *Through the Eyes of Strangers* A J Smart, 2021-06-21 Through the Eyes of Strangers is a journey of observation a snapshot of the lives of people and the human condition Humans are fascinatingly complex beings and this collection brings together some of these facets seen not just through the poet's eyes but also those of the readers making their own connections and interpretations as the poems are read through the eyes of strangers

Performing Atheist Selves in Digital Publics Evelina Lundmark, 2023-02-24 This book considers how the non religious self is performed publicly online and how digital culture and technology shapes this process Building on a YouTube case study with women vloggers it presents unique empirical data on non organized atheism in the United States Lundmark suggests that the atheist self as performed online exists in tension

between a perception of atheism as sinful and amoral in relation to hegemonical Christianity in the U S and the hyperrational male centered discourse that has characterized the atheist movement She argues that women atheist vloggers co effect third spaces of emotive resonance that enable a precarious counterpublicness of performing atheist visibility The volume offers a valuable contribution to the discussion of how the public the private and areas in between are understood within digital religion and opens up new space for engaging with the increased visibility of atheist identity in a mediatized society
