Time For Kids Of How All About Space:

Outer Space Kenneth Walsh,2005-01-05 An educational look into what is known about outer space and its many wonders This book has a reading level of 2 6 and a word count of 622

Outer Space and Popular Culture Annette Froehlich,2019-08-01 This book provides detailed insights into how space and popular culture intersect across a broad spectrum of examples including cinema music art arcade games cartoons comics and advertisements This is a pertinent topic since the use of space themes differs in different cultural contexts and these themes can be used to explore various aspects of the human condition and provide a context for social commentary on politically sensitive issues With the use of space imagery evolving over the past sixty years of the space age this is a topic ripe for in depth exploration The book also discusses the contrasting visions of space from the late 19th and early 20th centuries and the reality of today and analyzes space vehicles and habitats in popular depictions of space from an engineering perspective exploring how many of those ideas have actually been implemented in practice and why or why not a case of life imitating art and vice versa As such it covers a wide array of relevant and timely topics examining intersections between space and popular culture and offering accounts of space and its effect on culture language and storytelling from the southern regions of the world

Story Time Success Katie Fitzgerald,2016-06-23 Story time is a popular activity in public libraries Unfortunately many librarians and not just children s librarians are thrust into the role of providing this service have not taken a course or had the necessary experience of performing story times Story times are so popular that they are now offered to children of many ages not just to preschoolers This book will help librarians who have never done story time to learn to promote plan and perform story times and will be useful to experienced librarians to build on their story time repertoires Because story times are essential components of library service to children and in such demand in many libraries even librarians who have never done story time before are being asked to step into that role Story Time Success A Practical Guide for Librarians is comprehensive handbook which can help any librarian learn to promote plan and perform story times even with no prior training or experience Key elements include Customizable planning templates Hints for choosing appropriate books and other materials Suggestions for overcoming performance anxiety Troubleshooting for common story time problems and pitfalls Evaluation rubrics for performers and supervisors Veterans and beginners alike will find many useful pointers for establishing and improving their story time skills and repertoires

Scouse, Choppers & Space Hoppers - A Liverpool Life of Happy Days and Hard Times Crissy Rock,2018-09-06 Rather than focusing on the tragic events of her upbringing Crissy uses this evocative characterful book to paint a vivid picture of what it was to grow up working class Liverpool in the 1960s and 1970s From the docks to the Cavern Club this is a fond glimpse into the heartbeat of the North West in a time where community hard work and family mattered most
