The LORD Has It Under Control: What the Bible Teaches About the Sovereignty of God Gary F. Zeolla, 2015 This book is for the person struggling in life and for the person struggling with how God sovereignly works in people's lives It goes through the Bible more or less in order from the first verse of Genesis to the last verse of The Revelation It discusses both general principles and specific issues Along the way I relate examples of how I believe the sovereignty of God has been operating in my life in hopes that my experiences will help the reader to apply the principles to your life This book also addresses the question of the relationship of God's sovereignty to the human will or volition

What the Bible Teaches on Tithes and Offerings Emmanuel Oladipo, 2019-08-05 A Christian couple is having financial difficulties A civil servant has had a series of accidents with his car A businessman is duped in a massive scam They go to respected Church leaders for counselling One of the questions asked is whether or not they pay their tithe regularly because failure to pay it could be the reason for their problems After all the Bible places a curse on those who fail to pay their tithe Will a man rob God Yet you rob me But you ask How do we rob you In tithes and offerings You are under a curse the whole nation of you because you are robbing me Bring the whole tithe into the storehouse that there may be food in my house Test me in this says the LORD Almighty and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it Malachi 3:8-10 It seems straightforward and plain enough These are the exact words of the Prophet to the people of Israel The curse was on them because they did not pay their tithes We can read through the whole chapter and the whole Book and we shall find that this is not taking a verse out of context The question is how to apply to us here and now what was said to them there and then If we are to handle the word of God correctly on this important subject however a more detailed study of the relevant Scriptures is required Then we shall be able to establish that the curse which applied to the people of Israel in Malachi's day does not apply to the Christian couple the businessman or the civil servant in the Church today Our desire is to find out and explain clearly what the Bible teaches on the matter We want

to understand these words not only in the context of one Book of the Bible but in the context of both the Old Testament and the New That is why we are combing through the entire Bible to bring out all of the main passages that deal with tithes and offerings The format is a set of Questions and Answers Our prayer is that every reader would have their questions answered sufficiently to set them free to live a life of joyful giving without the fear of a curse To each one of us individually and to all of us together as a community of His people may the Lord grant to us truly to know the blessedness of giving *Church Administration* Clifford Mushishi,2010-07-14 This book on church administration is a tool for all pastors and leaders in all churches It provides ideas methods guidelines and styles of administering and supervising modern day congregations and religious organizations in an easy to follow language It can be used for any clergy or lay training retreat spiritual formation workshops and seminars Theological or Bible institutions or universities which offer courses in church administration will find this book most helpful Individuals can use it for their personal spiritual development It also carries a devotional and motivational aspect which every spiritual leader cannot afford to miss Opening the Windows of Heaven B. Wilson, 2016-04-05 Being Christian New Devotional Readings has St Paul's ambitious goal to present every person perfect in Christ. With that in mind, this wide-ranging devotional is full of strong texts and short teaching, all organized into bite-size readings. You will find applicable wisdom on every page as Being Christian is the product of Jim Wilson's practical advice and scriptural meditation over the past thirty-five years. Throughout every chapter, you will read a huge variety of powerful, concentrated Scriptures covering fundamental topics like prayer, evangelism, everyday holiness, joy, love, family, and of course, what it means to be a Christian. Strong teaching makes strong Christians. And it makes soft-hearted, tender-loving Christians. But soft teaching makes hard, callused Christians. Soft teaching is for people who have itching ears. They do not wish to have their lives interfered with. Jim Wilson from the Preface
