Administration, 1972 Flight Nursing National Flight Nurses Association (U.S.), 1996 The second edition of *Flight Nursing Principles and Practice* has been written to carry on the tradition of the first. The first six chapters cover the role of the flight nurse, flight physiology, extrication and scene management, communications and safety. Each clinical chapter ends with a case study. The contributors have drawn on their own clinical expertise in flight nursing to illustrate pertinent issues related to each clinical situation. The format for each case study varies to allow the individual style of the author. *FIPSE Project Abstracts*, 1998 *Global Entertainment Media: A Critical Introduction* Lee Artz, 2015-02-09 Balancing provocative criticism with clear explanations of complex ideas, this student-friendly introduction investigates the crucial role global entertainment media has played in the emergence of transnational capitalism. Examines the influence of global entertainment media on the emergence of transnational capitalism, providing a framework for explaining and understanding world culture as part of changing class relations and media practices. Uses action-adventure movies to demonstrate the complex relationship between international media, political economy, entertainment content, global culture, and cultural hegemony. Draws on examples of public and community media in Venezuela and Latin America to illustrate the relations between government policies, media structures, public access to media, and media content. Engagingly written with crisp and controversial commentary to both inform and entertain readers. Includes student-friendly features such as fully integrated call-out boxes with definitions of terms and concepts, and lists and summaries of transnational entertainment media.
