Frances Moore Lapp bestselling author of *Diet for a Small Planet* Explosive penetrating and utterly compelling Kuhner charts the death spiral of American democracy as it collapses into the black hole of the religion of money Never before in human history have noble ideals been corrupted so deeply with the connivance of so many This book lays tyranny bare for all to see as a mirror for the human soul Philip Goodchild author of *Theology of Money* **The Presidents vs. the Press** Harold Holzer, 2020-08-25 An award winning presidential historian offers an authoritative account of American presidents attacks on our freedom of the press The FAKE NEWS media Donald Trump has tweeted is not my enemy it is the enemy of the American People Has our free press ever faced as great a threat Perhaps not but the tension between presidents and journalists is as old as the republic itself Every president has been convinced of his own honesty and transparency every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger Our first president George Washington was also the first to grouse about his treatment in the newspapers although he kept his complaints private Subsequent chiefs like John Adams Abraham Lincoln Woodrow Wilson and Barack Obama were not so reticent going so far as to wield executive power to overturn press freedoms and even to prosecute journalists Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him doling out information steering coverage and squashing stories that interfered with his agenda It was a strategy that galvanized TR s public support but the lesson was lost on Woodrow Wilson who never accepted reporters into his inner circle Franklin Roosevelt transformed media relations forever holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether John F Kennedy excelled on television and charmed reporters to hide his personal life while Richard Nixon was the first to cast the press as a public enemy From the days of newsprint and pamphlets to the rise of Facebook and Twitter each president has harnessed the media whether intentional or not to imprint his own character on the office In this remarkable new history acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it From Washington to Trump he chronicles the disputes and distrust between these core institutions that define the United States of America revealing that the essence of their confrontation is built into the fabric of the nation *Bard of the Deal* Hart Seely, 2015-12-15 From award winning reporter and author of *Pieces of Intelligence* The Existential Poetry of Donald H Rumsfeld comes this collection of poems mined from the interviews speeches and tweets of Republican presidential candidate Donald Trump The Vicious Ones I was attacked viciously By those women Of course it s very hard for them To attack me on looks Because I m so good looking But I was attacked very viciously By those women August 9 2015 NBC s Meet the Press Straight from the mouth of the Donald himself this treasury of spoken poetry not a word is changed has been culled from nearly 30 years of interviews speeches tweets and ramblings from Presidential candidate and billionaire Donald Trump Since the 1980s Trump has built his verses like his casinos using only the highest quality words and phrases regardless of cost He s run a real estate empire achieved a net worth of ten billion
