Truth Behind Shadow Elena Marica:

The Truth Behind the Shadow Elena Marica, 2015-12-24 While on a business trip in Milan American billionaire and yacht mogul Alejandro Quintana meets Julia Belmonte the sexiest and most desirable model in the world The passion between them becomes an addiction Alejandro convinces her to give up modelling and follow him to New York Glamorous parties and a high flying life are all theirs until one night their lives are changed forever Can Julia forgive the unforgivable and allow Alejandro back into her heart

The Post-Boom in Spanish American Fiction Donald L. Shaw, 1998-07-10 What happened in Spanish American fiction after the Boom Can we define the Post Boom What are its characteristics How does it relate to the Boom itself Is Post Boom the same as Postmodernism or something quite different Shaw traces the emergence of a different kind of writing which began to displace the Boom in the mid 1970s and has flourished ever since More reader friendly more concerned with the here and now of Latin America the writers of the Post Boom have explored new areas of Spanish American life and incorporated characters from new social groups especially young working class and lower middle class figures with their distinctive pop culture and freewheeling life style Shaw suggests that while some Boom writers have moved toward the Post Boom Post Boom narrative is distinctively different from that of the older movement and cannot be readily assimilated into Postmodernism
