[The Chance](#) Karen Kingsbury, 2013-03-05 From the New York Times bestselling author of *Someone Like You* comes a heartwarming story about childhood friends, broken lives and an age-old promise proving it's never too late for love. Years ago the day before Ellie moved from Georgia to California she and her best friend Nolan sat beneath the Spanish moss of an ancient oak tree and wrote letters to each other sealing them in a rusty old metal box. The plan was to return eleven years later and read them. In 2013 the year Nolan's time-traveling books say all the mysteries of the world will be understood. Now as that date approaches much has changed. Ellie, bereft of the faith she grew up with, is a single mom living in a tired apartment and trying to make ends meet. Nolan, now an NBA star, has dealt with terrible personal tragedies that fueled his faith and athletic drive in equal measure. Ever since his father and coach succumbed to a heart attack, Nolan has suffered from a transcendent loneliness. Drowning in an ocean of grief, he often thinks about Ellie and the innocence of their childhood days together. As Ellie and Nolan move toward the possibility of a reunion at the oak tree, Molly and Ryan, the central characters from author Karen Kingsbury's previous novel *The Bridge*, return in their own ongoing story. Written by the Queen of Christian Fiction, Time with eloquence and grace, *The Chance* is a beautiful tale of heart-wrenching loss, the power of faith and the wounds that only love can heal. [A Politics of Love](#) Marianne Williamson, 2019-04-23 Bring positive change to your life with 1 New York Times bestselling author Marianne Williamson preorder her latest *The Mystic Jesus* picking up where *A Return to Love* left off. In this stirring call to arms, the activist, spiritual leader and New York Times bestselling author of the classic *A Return to Love* confronts the cancerous politics of fear and divisiveness threatening the United States today, urging all spiritually aware Americans to return to and act out of our deepest value: love. America's story is one of great social achievement. From the Abolitionists who fought to outlaw slavery to the Suffragettes who championed women's right to vote to the Civil Rights proponents who battled segregation and institutionalized white supremacy to the proponents of the women's movement and gay rights seeking equality for all citizens, for generations have risen up to fulfill the promise of our nation. Over the course of America's history, these activists have both embodied and enacted the nation's deepest values. Today America once again is in turmoil. A spiritual cancer of fear threatens to undo the progress we have achieved. Discord and hatred are dissolving our communal bonds and undermining

the spirit of social responsibility the duty we feel toward one another In this powerful spiritual manifesto Marianne Williamson offers a tonic for this cultural malignancy She urges us to imitate the heroes of our past and live out our deepest spiritual commitment where some have sown hatred let us now sow love Williamson argues that we must do more than respond to external political issues We must address the deeper internal causes that have led to this current dysfunction We need a new whole person politics of love that stems not just from the head but from the heart not just from intellectual understanding but from a genuine affection for one another By committing to love we will make a meaningful contribution to the joyful fierce and disruptive energies that are rising at this critical point in time In the words of Abraham Lincoln we must think anew and act anew and then we shall save our country
