Time And Community Studies In Liturgical History And Theology:

Reconstructing Early Christian Worship Paul Bradshaw, 2012-05-04 The book should be seen in the context of Paul Bradshaw's earlier works *The Search for the Origins of Christian Worship* and *Eucharistic Origins*. In this book he updates his thinking in this area focussing on the origins of the Eucharist, Baptism and Daily Prayer. The controversial introductory chapter is entitled *Did Jesus Institute the Eucharist at the Last Supper*.

Walking Where Jesus Walked Lester Ruth, Carrie Steenwyk, John D. Witvliet, 2010-11-05 Seeking to tell worship history in the same way it is usually experienced *Walking Where Jesus Walked* is a document rich snapshot of the church in Jerusalem in the late fourth century. Here the reader journeys with a woman visiting Jerusalem as the highlight of a Holy Land pilgrimage in the last part of the fourth century. As she marvels at the new churches built at so many sites associated with Jesus Christ she notes how remembrance shaped by Scripture and fitting to the time and place serves as the bedrock for this church's worship. Ruth helps today's reader hear the preaching which caused shouts of delight at the tomb of Christ, know the readings which lead the congregation to weep in the shadow of Calvary and see the new buildings which sought to manifest God's glory at the places where Jesus had walked, died and risen from the grave. By pairing contemporary descriptions, artistic portrayals and worship texts with various commentaries to guide readers, this first in a series of case studies of particular worshipping communities from around the world and throughout Christian liturgical history aims to allow a worshiper today to think concretely and contextually about some of the continually important issues for Christian worship.

Christian Prayer Through the Centuries Josef Andreas Jungmann, Christopher Irvine, 2007 The author looks at nine periods of history tracing the development of Christian prayer.

Daily Prayer in the Early Church Paul F. Bradshaw, 2008-10-01 In liturgical study and especially in English liturgical study the subject of the daily office has always been something of the poor relation, writes the author in his preface. This volume aims to do something to fill that gap. It begins with a detailed examination of the Jewish background and of the practice of daily prayer in the first three centuries of the Church and goes on to trace the evolution of the divine office in both its monastic and secular forms in East and West down to the time of St Benedict. Intended as a replacement for *The Influence of the Synagogue upon the Divine Office* by C. W. Dugmore, Alcuin Club Collection No 45, it not only incorporates the results of recent research by continental scholars and others but also challenges traditional assumptions at a number of important points offering a fresh interpretation of the evidence.

Jerusalem Lee I. Levine, 1999 In this work thirty-three scholars consider the significance of Jerusalem in the thought and practice of Jews, Christians and Muslims. They describe its archaeological remains, cultural creations and tumultuous history from biblical times to the present. But they also probe its rich significance as a religious site sacred to three faiths, as the sacred center of the world, as a goal of pilgrimage and as a symbol of eschatological fullness. From publisher's description.

Liturgical Reform after Vatican II Nicholas E. Denysenko, 2015-12-01 *Sacrosanctum Concilium* SC was the first document promulgated by the Second Vatican

Council The impact of this document was broad and ecumenical the liturgical reforms approved by the Council reverberated throughout Christendom impacting the order and experience of worship in Reformed and Orthodox Churches Unrecognized in most studies the Orthodox Churches were also active participants in the liturgical movement that gained momentum through the Catholic and Protestant Churches in the twentieth century This study examines Orthodox liturgical reform after Vatican II through the lens of Catholic Orthodox ecumenical dialogue After establishing the retrieval of the priesthood of the laity and active liturgical participation as the rationales for liturgical reform the study presents the history of liturgical reform through four models the liturgical reforms of Alexander Schmemmann the alternative liturgical center in the Russian Orthodox Church Outside of Russia ROCOR the symposia on liturgical rebirth authorized by the Church of Greece and the renewed liturgy of New Skete Monastery Following a discussion of the main features of liturgical reform catechesis ars celebrandi and the role of the clergy Denysenko concludes with suggestions for implementing liturgical reform in the challenges of postmodernity and in fidelity to the contributions of Catholic Orthodox ecumenical dialogue

Elenchus of Biblica, 1993 Theologia Prima David W. Fagerberg, 2004 Liturgical Theology is often a convenient label for any theology that has loosely to do with worship or Eucharist In this innovative book David Fagerberg distinguishes liturgical theology from a general theology of worship He proposes two defining attributes of liturgical theology 1 ex orandi It is manifested in the Church's historical rites 2 theologia prima It is theology done by the liturgical community In straightforward clear concise language he dilates our definition of liturgy Liturgy is the trysting place of truth beauty and goodness Christ is the premiere liturgist and baptism summons apprentices to his labor Liturgy is our place of steadfast encounter with God By this understanding liturgical theology can be adequately defined Liturgy is the faith of the Church in motion and as such is the basis of the Church's lex credendi To see liturgical theology to witness lex orandi one must go to the deep structures of the rite Liturgical asceticism gives us the capacity to participate in the liturgical response The subject matter of this book is how the liturgical assembly makes theological adjustment to its encounter with God Liturgical theology is therefore the basis for all theology whether done by a believer in the pew a monk in the cell or an academic in the study Theologia Prima What Is Liturgical Theology is a thorough revision of Dr Fagerberg's groundbreaking What Is Liturgical Theology The Liturgical Press 1992 It has been reorganized for easier reference and contains new examples as well as more anecdotal material derived from Dr Fagerberg's extensive experience as a teacher and theologian

The People's Faith Nicholas E.
