The Miracle of Our Universe Bernard Haisch, Marsha Sims, 2023-10-02 A fascinating comprehensive and accessible exploration of life's most fundamental questions If you're wondering who we are and why we're here this book is a great place to start Mark Guber award winning author of *An End to Upside Down Thinking* and board member at the Institute of Noetic Sciences Is our physical universe actually a virtual simulation that is thought into existence by consciousness Noted astrophysicist and #1 bestselling author Bernard Haisch explores the frontiers of science consciousness and God revolutionizing our understanding of the universe and what's behind it all Have you ever wondered why and how the world around you came to exist and whether there might be another experience awaiting you after the physical body dies Might there actually be a God and a heaven of some sort Without consciousness there is nothing The hypothesis presented in this book is that our seemingly physical universe of matter and energy is a virtual simulation which is thought into existence by a universal consciousness which we call God Authors Bernard Haisch and Marsha Sims tackle age old metaphysical questions such as the following Are near death experiences real What is the zero point field What kind of being could God be Is there some place that God could have come from How does the Big Bang figure into this Is there an afterlife and what could it be like What is the purpose of life Is consciousness all there is Is the universe a virtual reality Why is hell impossible

Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener's most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener's basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also

accessible to church leaders and laypeople **God's Hole-In-One and Other Miracles** John Corfield,2019-01-16 God's Hole in One and Other Miracles is a book about the Lord's miraculous workings in the life of one ordinary Christian. The book begins with an unusual event which happened a few months after the author found faith in Jesus Christ as his personal Savior and Lord. He already had a series of miracles which led him to his knees in thanking God for his redemption. Therefore, he really didn't need the unusual event to confirm his faith. However, the irrefutable event listed first in this book, it is hoped, should most assuredly be found compelling. The rest of the book details a series of miracles in the author's Christian life of forty-three years. They include healings, lifesavers, a calling, and a few wonderful discoveries. The original purpose of the book was to encourage Christians of all denominational, nondenominational, and independent churches to not be afraid to share their personal miracles with others. Many today are intimidated to keep those events to themselves. However, we live in an age where biblical doctrine has been watered down to such an extent that many don't really know what to believe any longer. God's Hole in One has also an evangelistic mission. Every person alive could have a personal relationship with Jesus Christ if they only knew the truth of who Jesus is. He had a mission to offer himself as the sacrificial lamb that would take away the sins of the world as well as its penalty. An explanation of Christ's finished work on the cross and what it means is woven throughout the chapters. He has made an offer to all of us to live with Him forever, but few today seem to understand what that means. The miracles presented in this book should encourage all who read it to seriously consider the claims of Christ. As he said, "You will know the truth, and the truth will set you free." John 8:32. His truth is so easy to see that even a child can understand it. He who has it will be free, indeed. John 8:36. The journey of miracles of this ordinary Christian, many against very high odds, was the Lord's doing, and it is finally time to share it with all who will listen. John has been presenting his message. The Importance of Miracles in a Christian's Life to churches in Arizona. It's not about the book; it's a message of encouragement for all Christians in these chaotic times. If anyone would like to have John present his message to their church, Christian school, adult Sunday school class, Bible study, or any other Christian group, please contact John at godsholeinone@gmail.com.

'The Miracle of Theophilus' by Gautier de Coinci Medieval Institute Publications,2022-12-31 The legend of Theophilus is a widely disseminated medieval miracle story. A good man gives in to Vain Glory, sells his soul to the Devil, has a terrible crisis of conscience, and is saved by the Virgin. The story is translated into most European languages and appears in stained glass, sculpture, and manuscripts. Gautier de Coinci writes the longest version of the legend. Its colorful details reveal the medieval period's deep fear of hell and the Devil and its high hopes in the Virgin and the Church. Unbelievable Magic and Miracle of My Life Addie M. Jesus' Course in Miracles ,2000 The JCIM derives from the Hugh Lynn Cayce version of the Course which was completed by Helen Shucman and Bill Thetford in 1972 Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message Many students consider study of the unabridged JCIM version to be indispensible in their curriculum Text only This edition does not include the Workbook or the Teachers Manual There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html> 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course

Miracle Of The Twelve The Apostles Share Their Testimonies Donna Phillips,2018-09-10 No one but Jesus would entrust His Twelve to go into the entire world to reveal the good news of the Kingdom of Heaven What a high calling and what a mixture of culture background schooling and beliefs there were among these men a tax collector fishermen an assassin seekers of truth all in one close knit group who were together twenty four hours a day and seven days a week It could not have been easy but little by little they bonded into a united flock as they listened to Him and followed their Shepherd every day witnessing miracles too numerous to count Their vision was transforming them to embrace their future and those who distrusted each other became friends and those who were hesitant were drawn in In this Bible based fictional account we watch as these men walk with Jesus and see the miraculous every day Yet there were also various obstacles to pierce and prod them and their tempers flared and their hearts repented as they journeyed through the process of becoming united into one heart and one mind for the Kingdom of Heaven Gradually His Word of Life became the very core of their character and their dedication commitment and fiery love for the Kingdom became a powerful force leaving behind them an eternal bold blaze of glory to shine for all eternity Not including Judas Iscariot Perhaps the transformation of the Twelve was His greatest miracle of all

The Message Of A Course In Miracles Elizabeth Cronkhite,2010-05-11 In the mid 1970s A Course in Miracles was published It is a self study course designed to help you undo your conscious and unconscious beliefs that you are separate from God so that you can return to your natural State of Boundless Love Peace and Joy Since then it has become the Holy Book of over a million people worldwide who have experienced a loving transformation to a more peaceful life But the Course though beautifully written is in dense and difficult figurative language that can be hard to understand It can take many years to pierce through how it says what it says to understand its loving means for returning to an awareness of your Eternal Oneness with God The Message of A Course in Miracles is a paragraph by paragraph translation of the Course into plain everyday language which brings its loving message to the surface so that you can attain a deeper understanding of it faster It is for anyone seeking a simple and clear means for attaining lasting inner peace
